Subject: Registration Open: EDC-5 Project Bundling Orientation Webinars; Don"t miss this important Webinar on Value Capture - Capitalizing on the Value Created by Transportation, free
Date: Monday, September 3, 2018 4:30:08 PM

Greetings,

You are invited to attend the EDC-5 National Orientation Webinars on:

Value Capture - Capitalizing on the Value Created by Transportation

FHWA will conduct a webinar on Value Capture - Capitalizing on the Value Created by Transportation. Value Capture is a set of powerful funding tools that can help address funding gaps, can be part of the mix of funding sources for transportation improvement solutions, and can accelerate project delivery, save time and money, and enhance safety when done properly

Interested in providing transportation benefits to your customers faster and more effectively, while also achieving system performance goals and accelerate the project delivery process? Interested in funding and financing strategies for a needed program of projects? Then please join us to learn more about Value Capture, including case studies that are being practiced by lead agencies around the country. See also FHWA's web site to learn more about this EDC-5 Value Capture Innovation.

TARGET AUDIENCE: Planning/Programming, Finance, Project Development, Program Managers/Specialists, Major Project Engineers, and Contracts/Construction staffs. Please share this registration information with your discipline, DOT, STIC, other key transportation partners, and all those you think would benefit from these webinars.**.**
