Subject: Private Property Debris Removal Request: Using Private Contractor, Force Account, or Direct Federal Assistance. FEMA-4283-DR-FL, Removal and Disposal of Debris from Private Road Right of Ways in the City of Clermont, Florida

Dear Federal Coordinating Officer Hernandez:

Pursuant to the terms and conditions of the Stafford Act, 42 U.S.C. 5121 et seq., FEMA Regulations as published at 44 CFR 206.222 – 206.224 and the Public Assistance Program and Policy Guide FP 104-009-2, the City of Clermont (the City) hereby requests FEMA to approve the removal of debris from private road right of ways within the City.

Determination of Public Interest

The City has determined that it is in the public interest to have debris removed from private road right of ways in order to eliminate immediate threats to life, public health and safety. Due to the severity and extent of the damage from Hurricane Irma, the City is unable to perform this work in a timely manner.

Documentation of Legal Responsibility

In accordance with 44 CFR 206.233(a) and Public Assistance Program and Policy Guide FP 104-099-2, in order to be eligible for FEMA Public Assistance funding, we understand that the City must have the legal authority and responsibility to perform the work at issue in the public interest, in this case, the removal of hurricane-generated debris from the private road right of ways. As noted above, the damage caused by the disaster in the City of Clermont was extensive. In accordance with the 2014 Lake County Comprehensive Emergency Management Plan and Multi-jurisdictional Hazard Mitigation Plan adopted and implemented within the municipal boundaries of the City of Clermont and City of Clermont Resolution 2017-53 Declaring a State of Emergency the following determinations have been made:

1. Removal of hurricane-caused debris from residential private road right of ways is necessary and in the public interest to eliminate immediate threats to life, public health and safety as determined by Florida Department of Health's Declarations of a "Debris-related Public Health Emergency," dated October 12, 2016 and November 2, 2016.

2. Under the above-referenced adopted plans and City of Clermont resolution 2017-53, the City has the duty and authority to remove such hurricane-generated debris from private road right of ways.
3. Based upon "1" and "2" above, it has been determined that it is in the best interests of the City of Clermont to exercise these authorities to enter into private communities within the City in order to abate the declared public health nuisance and safety emergency by removing the hurricane-generated debris from the Homeowners Associations' rights-of-way.
4. I certify that before we initiate such debris removal, we either shall have satisfied all the legal processes such as provided in our nuisance abatement and/or condemnation ordinance(s) and/or have received all legal permissions to carry out these actions of debris removal on these private roadways through the use of Rights of Entry with indemnity clauses signed by the Homeowners Associations.
5. The City will recognize and respect all laws and regulations that concern historic preservation and environmental protection.
6. The subject properties for this approval request are set forth in Attachment A.

Indemnification

As required by section 407(b) of the Stafford Act (42 U.S.C. 5173 (b)), and subject to the restrictions and requirements of Section 768.28, Florida statutes, the City hereby agrees that it shall indemnify and hold harmless the Federal Government and its respective employees, agents, contractors and subcontractors from any claims arising from debris removal. The City hereby acknowledges that in accordance with section 305 of the Stafford Act (42 U.S.C § 5148), the Federal Government shall not be liable for any claim based upon the exercise or performance of or the failure to exercise or perform a discretionary function or duty on the part of the Federal agency or an employee of the Federal Government in carrying out the provisions of the Act.

Duplication of Benefits

To avoid duplication of benefits pursuant to section 312 of the Stafford Act (42 U.S.C. 5155), the City will obtain from the Homeowners Association information and documentation relating to insurance coverage proceeds and settlements and provide this to the Florida Department of Emergency Management. The City point of contact for this request is Stoney Brunson, City of Clermont, Public Works Director who may be contacted at (352) 394-7177 if you require additional information.

Proper Procurement

The City affirms that any contract entered into for debris removal will comply with the requirements of 2 C.F.R. § 200.318-200.336 and understand that a failure to comply with any required federal, state and local laws, regulations and permits necessary for lawful performance of debris removal could jeopardize FEMA funding.

By affixing my signature hereto, I represent that I am duly authorized as City of Clermont City Manager to make this request.

Sincerely,

Darren S. Gray
City Manager
City of Clermont
