

A SAFE SCHOOLS TRANSPORTATION STUDY

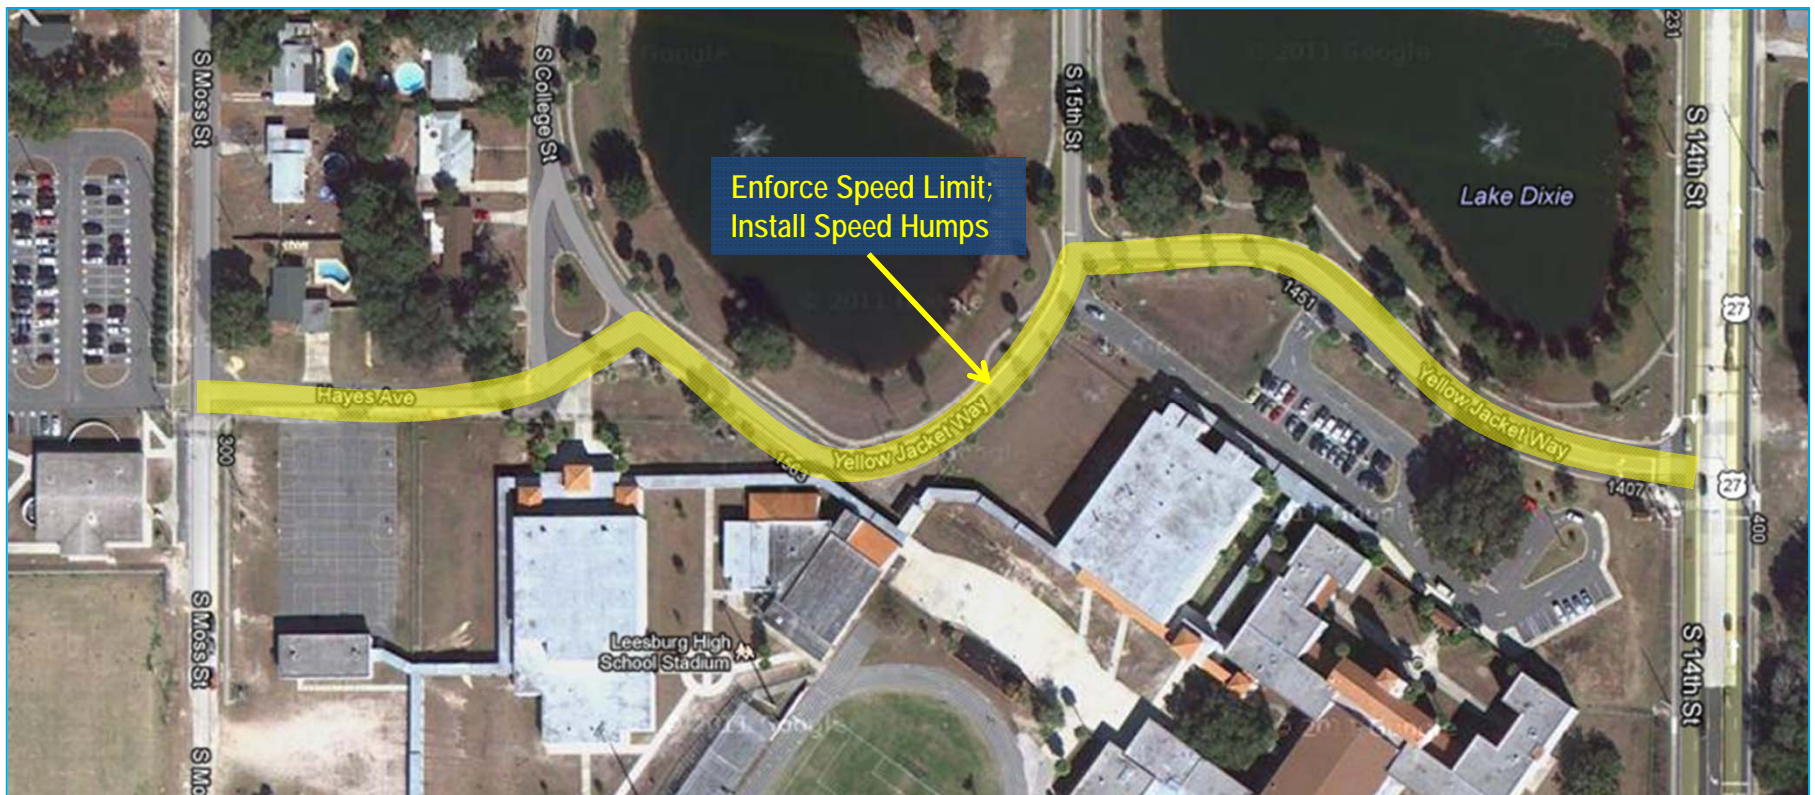

Leesburg High School

# Priority Project #9a

Enforce Speed Limit on Yellow Jacket Way / Hayes Ave

## Recommendations:

- ✓ Install speed humps for natural speed enforcement
- ✓ Coordinate with the Leesburg Police Department to enforce the speed limit on Yellow Jacket Way

### Recommendations:

- ✓ Replace existing bicycle rack with permanent inverted “U” style which supports the bicycle by two points on the frame rather than the wheel; Place bicycle rack on concrete pad with sidewalk connection / access to the school campus
- ✓ Install a second bicycle rack near the bus loop
