#### NARRATIVE

ID Number <b>2669</b>	Rank <b>TROOPER</b>	Name <b>W.S. MCKENZIE</b>	Troop / Post <b>D</b>	Officer Agency <b>FLORIDA HIGHWAY PATROL</b>	Phone Number <b>407-737-2300</b>	Date Created <b>Feb 06, 2012</b>
<p>V01 was traveling northbound on US-27 in the outside lane. NM01 was crossing US-27 in an unlit area that was not marked with a crosswalk. NM01 was eastbound traveling from the west to the east side of the US-27 and was crossing the northbound travel lanes. NM01 failed to see V01 approaching and became an immediate hazard to V01. Per Witness Smart, V01 swerved from the outside to the center travel lane attempting to avoid NM01; however, the right front and side of V01 collided with the right side of NM01. V01 fled the area of collision and was last seen headed south on US-27. The impact caused NM01 and the bicycle to travel to the northeast and come to final rest on the grassy embankment on the east side of US-27.</p> <p>NM01 was wearing dark colored clothing. The bicycle that NM01 was riding had reflectors in the wheels and a red reflector on the rear but was not equipped with any lights.</p> <p>V01 was stated to be a grey SUV. The pieces found on scene of the right side view mirror housing are consistent with coming from an early 2000's Chevy Blazer or GMC Jimmy SUV's. No other information is currently available.</p> <p>A check of the area businesses failed to find any security cameras that would provide any additional information on V01.</p> <p>This case is closed until such time as more information about V01 becomes available.</p>
