NARRATIVE

On Sunday, May 12th 2013, at approximately 2040 hours, I responded to the area of Griffin Rd and Pamela Street in reference to a vehicle accident involving a pickup truck and pedestrian.

Upon arrival, the pedestrian was alert and talking but had noticeable injuries to his face. Lake EMS and LFD were notified and responded for medical treatment on scene and he was later transported to LPMC by Lake EMS.

During the scene investigation, I spoke with an independent witness that stated the pedestrian was walking with two other guys by the church and kept walking on and off the roadway. The witness overheard them possibility arguing and continued walking along the roadway toward Pamela Street east bound on the north side of the road. The pedestrian continued walking on and off the roadway and Vehicle #1 was traveling west on Griffin Rd approaching Pamela Street and did not see the pedestrian resulting him getting hit on the right side passenger door mirror breaking it off.

The lighting conditions were very poor in this area as there were no street lights and when the pedestrian obstructed the roadway the driver of vehicle #1 could not see him and could have been prevented if the pedestrian use more care by walking further away from the roadway. The pedestrian was later issued a Uniform Traffic Citation #9784-WMQ for Obstruction of Public Streets.

I have nothing further to report.
