Bobby,

This is the approval letter from the Department of State, Division of Historical Resources for the Ferndale Preserve for your records.

We've determined the official Sovereign lands elevation (Elev. 68) and are securing that paperwork. I've contracted with Ron Concoby to review my information and wetland impact calculations and will be submitting the final ERP permit at the beginning of the week.

I've written a letter to the FCT / FDEP to receive confirmation and approval o

Ferndale Preserve Development and Restoration Project
Florida Communities Trust Project 04-030-FF4
Lake County / DHR Project File No. 2012-1907

To Whom It May Concern:

Our office received and reviewed the referenced project in accordance with Chapters 267 and 373, *Florida Statutes*, Florida's Coastal Management Program, and implementing state regulations, for possible impact to historic properties listed, or eligible for listing, in the *National Register of Historic Places*, or otherwise of historical, architectural or archaeological value. The State Historic Preservation Officer is to advise and assist state and federal agencies when identifying historic properties, assessing effects upon them, and considering alternatives to avoid or minimize adverse effects.

Based on the information submitted, it is the opinion of this agency that the proposed development and restoration of the Ferndale Preserve will have no adverse effect on historic properties listed, or eligible for listing in the *National Register of Historic Places*, or otherwise of historical or archaeological value. We commend the county for the sensitive and thoughtful site development plan with regard to protecting the significant archaeological resource, site 8LA2831, which is present on this tract.

If you have any questions concerning our comments, please do not hesitate to contact Susan Harp at 850.245.6367. Thank you for your interest in protecting Florida's historic resources.

Sincerely,

Laura A. Kammerer, Historic Preservationist Supervisor
