Brian Sheahan, Planning Director
Lake County Department of Growth Management
315 West Main Street
Tavares FL 32778

RE: MSP #12/1/1-4
Professional Dirt Service

Dear Mr. Sheahan,

This letter is submitted as a request for a sixty (60) day continuance of the above referenced case. Legal counsel has been retained to assist Professional Dirt Service in the subject case. Additional time is needed to organize the presentation and to attempt to resolve some of the objections received for the proposed project.

Please contact our office if there are questions or you need further information.

Sincerely,

Dan Cordle, President
Professional Dirt Service, Inc.
