

CONFLICT OF INTEREST/CONFIDENTIALITY CERTIFICATION SELECTION COMMITTEE

I certify that I have no present conflict of interest on the projects identified below, and that I will recuse myself from any capacity of decision making, approval, disapproval, or recommendation of any consultant/contractor/vendor for selection on any contract if I have a conflict of interest or a potential conflict of interest. As set forth in Sections 112.313 and 334.193, Florida Statutes, employees of the Department may not have any interest, financial or otherwise, direct or indirect; engage in any business transaction or professional activity; or accept any obligation of any kind which is in conflict with the proper conduct of their duties in the public interest.

I recognize that employees are expected to honor the ethical obligations inherent in public service. These obligations go beyond mere legal obligations and demand from the employee a greater sensitivity to his or her conduct, as well as the public's perception of such conduct.

Employees are expected to safeguard their ability to make objective, fair, and impartial decisions, and therefore may not accept benefits of any sort under circumstances in which it could be inferred by a reasonable observer that the benefit was intended to influence a pending or future decision of theirs, or to reward a past decision. Employees should avoid any conduct (whether in the context of business, financial, or social relationships) which might undermine the public trust, whether or not that conduct is unethical or lends itself to the appearance of ethical impropriety.

I will maintain the confidentiality of all information not made public by the Florida Department of Transportation ("Department") related to the procurement of the above-referenced ("Project") that I gain access to as a result of my involvement with the Project ("Procurement Information"). I understand that Procurement Information includes, but is not limited to, documents prepared by or for the Department related to procurement of the Project. I also understand that Procurement Information includes, but is not limited to, documents submitted to the Department by entities seeking an award of the Project ("Proposers"). I understand that Procurement Information may include documents submitted by Proposers related to letters of response/letters of interest, technical proposals, price proposals, financial proposals, and information shared during exempt meetings. I also understand that Procurement Information may also include documents that evaluate or review documents submitted by Proposers, and information regarding Project cost estimates. I also agree not to discuss the Project with anyone who is a member of or acting on behalf of a Proposer.

Unless so ordered by a court of competent jurisdiction or an opinion of the Office of the Florida Attorney General, I will not divulge any Procurement Information except to individuals who have executed a Conflict of Interest/Confidentiality Certification which has been approved by the Department ("Project Personnel"). I understand that a list of Project Personnel will be maintained by Department. If I am contacted by any member of the public or the media with a request for Procurement Information, I will promptly forward such request to the Department's Procurement Office. I will also maintain security and control over all documents containing Procurement Information which are in my custody.

I agree not to solicit or accept gratuities, unwarranted privileges or exemptions, favors, or anything of value from any firm under consideration for an agreement associated with the Project, and I recognize that doing so may be contrary to statutes, ordinances, and rules governing or applicable to the Department or may otherwise be a violation of the law.

I agree not to engage in bid tampering, pursuant to Section 838.22, Florida Statutes.

I realize that violation of the above mentioned statutes would be punishable in accordance with Section 112.317, Section 334.193, and Section 838.22, Florida Statutes, and could result in disciplinary action by the Department.
