## FINANCIAL STABILITY STATEMENT FOREFRONT

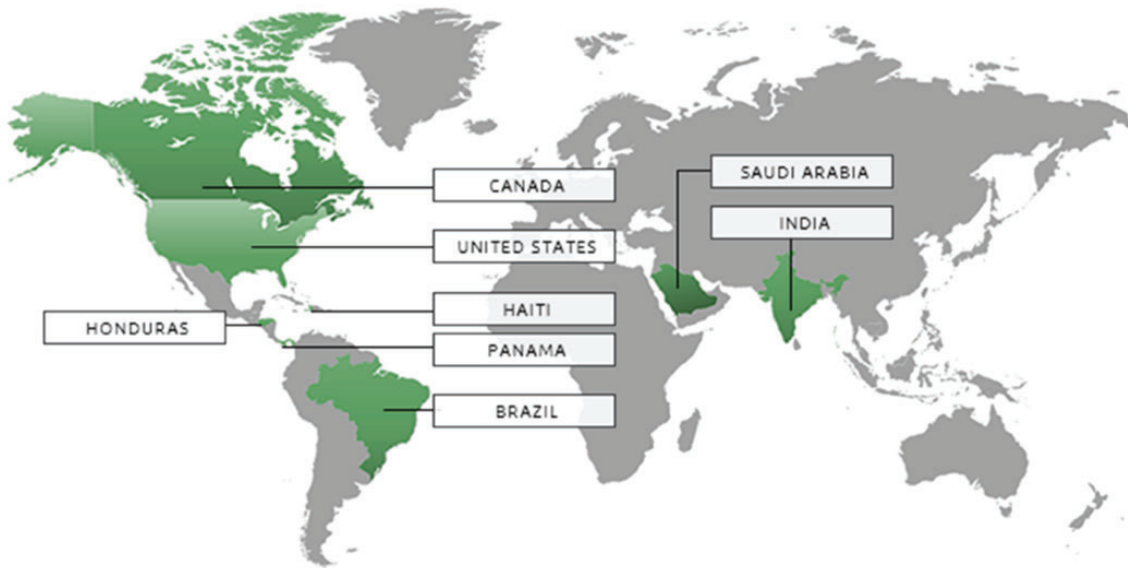

Forefront Architecture & Engineering has delivered a multitude of quality projects Worldwide for more than 27 years. Starting back in 1994, Lindemann, Bentzon, and Bojack gained a reputation as one of Florida's most financially stable and highly respected firms earning a solid notoriety for completing projects head of schedule and below budget. In 2014 Forefront arose from Lindemann, Bentzon, and Bojack and have continued on their legacy with a proven track record that we have the financial stability and personnel to meet the **Supervisor of Elections Building Design**. Forefront would be honored to continue this history with a relationship with Lake County that can continue over the years.
