

Evaluator Name: Adam SherkFirm Name: Eisman & Russo

Criteria	Available Points	Awarded Points	Comments
Tab 1: Professional qualifications necessary for satisfactory performance.	1-20	20	E&R staff list provides ample qualified personnel to complete this project.
Tab 2: Specialized experience and technical competence in the type of work required.	1-15	15	They exceed the experience & technical requirements to perform this project.
Tab 3: Past projects listed on contracts with government agencies and private industry.	1-15	14	All past work provided is governmental but appears to exceed requirements for this project.
Tab 4: The capacity to accomplish the work within their proposed completion schedule	1-10	8	Proposed schedule was not as detailed as others. With their work history, and project approach, they would be able to complete the project within schedule and with high quality.
Tab 5: Understanding of the project.	1-20	17	They provided a very clear of the project scope. Potential issues were identified, and good solutions proposed.
Tab 6: Approach to the project	1-20	18	The proposed detailed approach appears to be thorough and will lead to a successful quality project.
TOTAL / POSSIBLE		92/100	

RFP Scoring definitions

If out of 10 points:

0-2 = "Poor": Proposal is lacking or inadequate in most basic requirements, specifications, or provisions for the specific criteria.

3-4 = "Below Average": Proposal meets many of the basic requirements, specifications or provisions of the specific item, but is lacking in some essential aspects for the specific criteria.

21-0920 Proposal Scoring Sheet

Evaluator Name: Adam Sherk

Firm Name: EXP US Services

Criteria	Available Points	Awarded Points	Comments
Tab 1: Professional qualifications necessary for satisfactory performance.	1-20	12	EXP meets the requirements for this category but does not have as many qualified professionals as other firms.
Tab 2: Specialized experience and technical competence in the type of work required.	1-15	12	Their staff experience is considered above average for this project. Not as much supporting evidence as provided by others.
Tab 3: Past projects listed on contracts with government agencies and private industry.	1-15	11	Not as much work history provided as other vendors. Project descriptions and involvement was not described as well as others. They do have the required experience though.
Tab 4: The capacity to accomplish the work within their proposed completion schedule	1-10	4	No proposed schedule though they describe having a staff scheduling "expert". Simply stated begin and end project dates.
Tab 5: Understanding of the project.	1-20	6	The provided understanding of the project was vague. Details appeared to be mostly focused on MOT. Very little discussion on project scope or technical aspects.
Tab 6: Approach to the project	1-20	8	Their approach to the project appears to focus heavily on MOT and public notification. Not enough description of how they would effectively manage the contract.
TOTAL / POSSIBLE		53/100	

RFP Scoring definitions

If out of 10 points:

0-2 = "Poor": Proposal is lacking or inadequate in most basic requirements, specifications, or provisions for the specific criteria.

Evaluator Name: Adam SherkFirm Name: RS&H

Criteria	Available Points	Awarded Points	Comments
Tab 1: Professional qualifications necessary for satisfactory performance.	1-20	16	RS&H has the required professional qualifications to complete this project. They appear to have less available staff than other vendors.
Tab 2: Specialized experience and technical competence in the type of work required.	1-15	15	They exceed the experience & technical requirements to perform this project.
Tab 3: Past projects listed on contracts with government agencies and private industry.	1-15	13	All past work provided is governmental but appears to be sufficient for this project.
Tab 4: The capacity to accomplish the work within their proposed completion schedule	1-10	4	Proposed schedule was very basic and non-informative. No specific plan for scheduling.
Tab 5: Understanding of the project.	1-20	8	They provided a very vague description and understanding of the project.
Tab 6: Approach to the project	1-20	9	There is not specific approach to the project described. Their project administration would appear to lead to an average project.
TOTAL / POSSIBLE	65/100		

RFP Scoring definitions

If out of 10 points:

0-2 = "Poor": Proposal is lacking or inadequate in most basic requirements, specifications, or provisions for the specific criteria.

3-4 = "Below Average": Proposal meets many of the basic requirements, specifications or provisions of the specific item, but is lacking in some essential aspects for the specific criteria.

5-6 = "Average": Proposal adequately meets the minimum requirements, specifications, or provisions of the specific item, and is generally capable of meeting Lake County's needs for the specific criteria.

Evaluator Name: Adam Sherk

Firm Name: Scalar Consulting

Criteria	Available Points	Awarded Points	Comments
Tab 1: Professional qualifications necessary for satisfactory performance.	1-20	18	Ample professional staff to complete the project successfully.
Tab 2: Specialized experience and technical competence in the type of work required.	1-15	15	They exceed the experience & technical requirements to perform this project.
Tab 3: Past projects listed on contracts with government agencies and private industry.	1-15	13	All past work provided is governmental but appears to be sufficient for this project.
Tab 4: The capacity to accomplish the work within their proposed completion schedule	1-10	9	Proposed schedule was very detailed. With this and their work history, they should be able to complete the project within schedule and with high quality.
Tab 5: Understanding of the project.	1-20	17	They provided a very clear and concise understanding of the project scope.
Tab 6: Approach to the project	1-20	17	The proposed detailed approach appears to be thorough and will lead to a successful quality project.

If out of 10 points:

0-2 = "Poor": Proposal is lacking or inadequate in most basic requirements, specifications, or provisions for the specific criteria.

3-4 = "Below Average": Proposal meets many of the basic requirements, specifications or provisions of the specific item, but is lacking in some essential aspects for the specific criteria.

5-6 = "Average": Proposal adequately meets the minimum requirements, specifications, or provisions of the specific item, and is generally capable of meeting Lake County's needs for the specific criteria.

Evaluator Name: Adam SherkFirm Name: Tierra, Inc

Criteria	Available Points	Awarded Points	Comments
Tab 1: Professional qualifications necessary for satisfactory performance.	1-20	19	Ample Staff to cover project effectively and efficiently.
Tab 2: Specialized experience and technical competence in the type of work required.	1-15	15	They exceed the experience & technical requirements to perform this project.
Tab 3: Past projects listed on contracts with government agencies and private industry.	1-15	13	All past work provided is governmental but appears more than sufficient for this project. Along with past work with Lake County.
Tab 4: The capacity to accomplish the work within their proposed completion schedule	1-10	10	Tierra, Inc has the capacity to complete this project within proposed schedule. As they are a "Full Service Firm" this would minimize scheduling conflicts with subcontractors.
Tab 5: Understanding of the project.	1-20	19	They provided an exceptional understanding of the project scope. Proposed changes in HMA stacking make sense and would provide a more durable product in a timelier and cost effective manner.
Tab 6: Approach to the project	1-20	17	Their proposed approach to the project would ensure a smoothly operated project.
