

AEI LITIGATION SUMMARY – 3 YEAR HISTORY

Andreyev Engineering, Inc. currently has one open claim pending and four claims have been closed in the past three years, and there have been no license sanctions for any staff members.

The first open claim was filed in April 2021 in the Circuit Court of the Fifth Judicial Circuit in Marion County, Florida under the Case Number 20-CA-0026. The claim involves a personal injury claim of a passenger of a car that drove over a sinkhole in the roadway that formed after Hurricane Irma, Where AEI had previously provided roadway compaction testing support. The case is in discovery and is expected to be settled/dissolved.

The first closed claim was filed October 2017 in the Circuit Court of the Thirteenth Judicial Circuit in Hillsborough County, Florida under Case Number 17-CA-009409. The claim involves a residential sinkhole evaluation and repair recommendations provided by Andreyev Engineering for an insurance carrier brought by the homeowner. The case is in discovery, with mediation scheduled, and is expected to be settled and dismissed soon.

The second closed claim was filed March 2017 in the Circuit Court of the Fifth Judicial Circuit in Hernando County, Florida under Case Number 2017-CA-1114. The claim involves an auto accident, where an employee in a company owned vehicle rear-ended another vehicle (the plaintiff) and the plaintiff seeks damages for reported injuries. The case was settled and dismissed.

The third closed claim was filed February 2017 in the Circuit Court of the Fifth Judicial Circuit in Hernando County, Florida under Case Number 2017-CA-123. The claim involves a residential sinkhole evaluation and repair recommendations provided by Andreyev Engineering for an insurance carrier brought by the homeowner. The case was settled and dismissed.

The fourth closed claim was filed August 2017 in the Circuit Court of the Thirteenth Judicial Circuit in Hillsborough County, Florida under Case Number 17-CA-7267. The claim involves a residential sinkhole evaluation and repair recommendations provided by Andreyev Engineering for an insurance carrier brought by the homeowner. The claim was settled and dismissed.
