

The undersigned hereby declares that: Spiezle Architectural Group Inc. has examined and accepts the specifications, terms, and conditions presented in this Solicitation, satisfies all legal requirements to do business with the County, and to furnish **On-Call Architectural Services** for which Submittals were advertised to be received no later than 3:00 P.M. Eastern time on the date stated in the solicitation or as noted in an addenda. Furthermore, the undersigned is duly authorized to execute this document and any contracts or other transactions required by award of this Solicitation.

All pricing will be FOB Destination unless otherwise specified in this solicitation document. Pricing submitted will remain valid for a ninety (90) day period.

Vendor will accept payment through the County Credit Card-based payment system: YES

1.0 TERM OF CONTRACT

The Contract will be awarded for an initial one (1) year term with the option for two (2) subsequent two (2) year renewals. Renewals are contingent upon mutual written agreement.

The Contract will commence upon the first day of the next calendar month after Board approval. The Contract remains in effect until completion of the expressed and implied warranty periods. The County reserves the right to negotiate for additional services/items similar in nature not known at time of solicitation.

2.0 METHOD OF PAYMENT

The Contractor must submit an accurate invoice to the County's using department's email. The date of the invoice must be after delivery but no more than 30 calendar days after delivery. Invoices must reference the: purchase or task order; delivery date, delivery location, and corresponding packing slip or delivery ticket signed by a County representative at the time of acceptance. Failure to submit invoices in the prescribed manner will delay payment.

Payments will be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes. The County will remit full payment on all undisputed invoices within 45 days from receipt by the appropriate County using department. The County will pay interest not to exceed 1% per month on all undisputed invoices not paid within 30 days after the due date.

3.0 CERTIFICATION REGARDING LAKE COUNTY TERMS AND CONDITIONS:

I certify that I have reviewed the [General Terms and Conditions for Lake County Florida](#) and accept the Lake County General Terms and Conditions dated 5/6/21 as written including the Proprietary/Confidential Information section. YES Failure to acknowledge may result in Submittal being deemed non-responsive.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)
Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

SOLICITATION: On-Call Architectural Services

08/31/2021

Vendors are responsible for the receipt and acknowledgement of all addenda to a solicitation. Confirm acknowledgement by including an electronically completed copy of this addendum with submittal. Failure to acknowledge each addendum may prevent the submittal from being considered for award.

THIS ADDENDUM DOES NOT CHANGE THE DATE FOR RECEIPT OF PROPOSALS.

QUESTIONS/RESPONSES

Q1. Attachment 2 states to include references/projects from within the last 5 years, but in the RFQ it states from the last 3 years.

R1. The projects must be from within the past five years

Q2. Should respondents provide proposed subconsultants resumes and experience, or only include their information on Attachment 3?

R.2 At a minimum the information for subconsultants must be included on Attachment 3. However, resumes of subconsultants may, in addition, be added to the submittal package.

ADDITIONAL INFORMATION

Work and services performed by subconsultants must not exceed ten percent (10%) of an overall contract cost, if that work is available under a current Lake County term and supply contract. For any work or services that exceeds 10% of the cost, the consultant must use a contractor currently under a County contract for those requested services.

ACKNOWLEDGEMENT

Brad is also a certified LEED Accredited Professional. He brings with him extensive experience in electrical, power, lighting, emergency power & lighting, site lighting, surge protection, and energy management. He specializes in power generation, controls systems, solar/photovoltaic power, and photometrics. Brad is resourceful and analytical with in-depth knowledge of power generation and generators.

Relevant Experience

As the Senior Electrical Engineer for the Commercial Department, Brad is directly responsible for all facets of electrical engineering. He is accountable for all project coordination between clients, internal staff, and other disciplines from concept design to construction implementation.

Over the years, his experience has spread across multiple market sectors including Commercial Development, Mixed-use Residential, Office Buildings, Theme Parks & Aquariums, Hospitality, Emergency Operation Centers, Healthcare, Higher Education, and Industrial Facilities. His most recent projects consist of clients like Virgin Trains, City of Orlando, Groveland Public Safety Complex, Grand Avenue Community Center, and Nemours Children’s Clinic.

Brad strives to provide clients with the most dependable and effective design solutions. He fully involves the client on decisions about the systems and equipment utilized on their projects. Brad is an “out-of-the-box” thinker that understands that there are many ways to design for a client based on expectation, needs, and budget.

Mr. Matern is a systems designer with 15 years of experience preparing complex Systems design, such as control cabinet layouts, dimensional equipment mounting instructions, installation termination drawings, floor plan layouts, electrical interconnection drawings, operations matrices, device circuit wiring, and technical charts for various types of equipment. This includes but is not limited to access control, pro audio sound, fire and intrusion alarm, telephone, CCTV, intercom, and master time.

Relevant Experience

His career started in not only designing systems, but installing them. This experience has given Douglas the ability to effectively communicate and coordinate with team members from owners to subcontractors. This collaboration allows for cohesive solutions relating to the project requirements, technical programming and commissioning of the systems. In projects with existing conditions, he is able to decipher the issues, create a solution and mobilize the team in a manner that positively serves all impacted parties.

He has led teams to design systems for large-scale projects such as the Phase-V CCTV Replacement at Orange County Convention Center, CCTV Upgrades for Orlando International Airport North Terminal, and Orange County Convention Center Sound System Upgrade (one of the largest in the country). He has also designed complex systems for emergency operations centers, correctional facilities, education institutes and data centers throughout his career.

As a lover of “all things technology”, Doug finds providing solutions that solve challenges and make a client’s life easier are the most satisfying parts of his job.
