FINANCIAL STABILITY

MILLER LEGG & ASSOCIATES, INC.

Financial Stability Statement

Financial stability is achieved by applying successful strategies over time and being adaptable to changing markets and economies. Miller Legg has been in operation for 56 years. The firm is geographically diverse and has strength and expertise in numerous market sectors, including County and municipal markets. The company is employee-owned and has the ability to generate capital through the sale of stock to employees. Similarly, we have established a stable workforce of highly-regarded and well-qualified, licensed professionals, technical and support staff on whom we can depend to provide Miller Legg's project deliverables to our clients. Together, these factors have established and continue to safeguard the company's financial stability and success, ensuring our capability to provide the resources required of this Lake County Transportation and Traffic Engineering, On Call Contract.

Miller Legg has reviewed the RFQ for the above referenced Project. Miller Legg has the necessary resources (human and financial) to provide the services at the level required by the County. A financial statement, a certified audit, or third party prepared financial statement can be provided to the County upon request.
