## **Section 5 – Completed Pricing Sheet**

Please see **Appendix F and the separately submitted Excel file** for the completed Pricing Sheet.

Each report will be generated based on field activities. The samples generated during the field events will be analyzed at the County’s approved laboratory. Costs associated with the laboratory analyses are not included in MAS’ pricing.

Each report will include field notes, laboratory analytical reports, generate tables and figures that will present summaries of the data. Upon completion and submittal of the report, the work will be invoiced. The invoice will include labor and sub-contractor costs.
