Address Number

Route CR 439 (7483)

Intersect Route Firethorn Rd

Details

Via email from Lori Conway - "Will you please take a look at Firethorn Drive off CR-439? I spoke to Jo Willis (and she mentioned already speaking to MA3) about CR-439 stormwater runoff impacting the apron of Firethorn Drive. Firethorn Drive is non-County maintained and doesn't qualify for a special assessment. Naturally, these folks are concerned about every ounce of material that they place on this apron and don't want to see it washed away. At one time she said MA3 placed a "lip" (of asphalt, maybe) to divert the water and that was effective until now. It seems the "lip" isn't as substantial as it once was. She is amicable to any solution you may have; she just needs a little assistance with the CR-439 water."

Notes

See prior request # MA3-7667-R. Berm was built with .5 tons asphalt on 08/05/10.
For work done by Maintenance Area, see MA3-12263-WO.
See Attachments for additional background information.
