Pipe Cleaning & Video, 10-0609

WORK REQUEST

Date of Video and/or Report Due: ASAP

Road Name: Laurel Dr (4164) **Address:** 3000 **Segment**

Number: 3-4164-01

Section: 25/26 **Township:** 19 **Range:** 26

Location: Under Laurel Dr and down the East side of the referenced address.

Description of work to be performed: TV & Clean

Pipe Size: 30' of 15" elliptical and 140' of 18" elliptical

Percentage of pipe blocked: 10% or less 11% - 30% above 30%

Pipe Length : 170' **Number of Man holes:** 2

Clean only: **TV only:** **Cleaning/TV:**

Total footage for this request : 30' of 15" elliptical goes from the drop box on the North side to the drop box on the South side of Laurel Dr. 140' of 18" elliptical goes from the drop box on the South side of Laurel Dr along the East side of address 3000 to an open ditch. The outlet appears to be a 12" round CMP, but we are unsure at what distance it may make this transition from the elliptical between the drop box and the ditch.

If there are questions concerning pipe size(s), length(s) or the % of blockage shall be addressed and agreed upon in writing by the County Representative prior to the performance of the work. Any work performed without agreement by all parties shall be paid in accordance with the terms and conditions of the Contract. Invoices should be sent to the address listed below.

Date: 9/6/12

Subject: Laurel Dr. Drainage easement around Silverwood project. Citizen reports a drainage problem. Drop boxes on Laurel Dr are full of debris and dirt. The pipe from block boxes goes in between houses back to a long ditch that runs out to a large ditch that runs out to Lake Louisa. The outlet is overgrown with trees and debris.

Full size copy of tax maps, plats, maintenance maps, and deeds are available at map sales, or I would be happy to send copies to you via inter-office mail. Please let me know.

See attached map showing RW information requested. If you have any questions, or if map is not legible, please give me a call.
