Details

Via email from Mary Hamilton to Dennis Warren: "I spoke with Tammy Rice this morning at 2384 Orange Capital Ct. She is very upset that paving activities to Waycross (she lives on the corner) have created a drainage problem on her property. She would like to be contacted and for someone to take a look at the situation."

History

9/25/2012	Request has been printed and given to the Supervisor.	Wall, Treeva
9/25/2012	Take a look at this and let me know what you find. Sounds like same habitual problem that has nothing to do with paving of Waycross. That intersection is the lowest point and water comes from private road mostly.	Warren, Dennis
10/16/2012	Contract sod installation requested.	Lee, Steven
