Details

Via email: "There is a large camphor tree on the west side of Dora Avenue, just to the north of Caroline Street. We are requesting this tree be removed. Several "near accidents" have occurred recently at the intersection and we have received numerous complaints. The tree definitely blocks the sight of vision for traffic for drivers heading east on Caroline Avenue. Our Solid Waste Fleet is parked at the end of Caroline Street and have also complained of not being able to see Dora Ave. traffic. Any attention you can give to this unsafe situation would be appreciated."
