Please provide any additional comments:

I've been driving off 9200 GRAYS AVE. RD. WOLYAKE SINCE 1988. THE LAST TIME THIS RD WAS PAVED WAS ABOUT 25 YRS AGO. THIS RD IN MY OPINION IS IN NEED OF MORE THAN JUST PATCHING HOLES AND THE DETERIORATING SIDES OF THE ROAD. YOU READ ABOUT ROADWORKERS ON THE NEWS OF NO WHERE AND YOU WONDER WHO PLANS THESE ROAD REPAIRS. GRAYS AVENUE RD PROBABLY HAS MORE UNRECORDED ACCIDENTS THAN 4 IN 1 YEAR. THAT INTERSECTION, CULMINATIONS, NEAR THE TERMINAL ARE SILENT. THE RD IS GETTING NARROWER & NARROWER. I WOULD LOVE TO COME OUT MORE THAN JUST 1 TIME A YEAR AND ACCESS THIS RD MORE SERIOUSLY. IT IS A VERY UNCOMFORTABLE AND WOULD BE MUCH SAFER IF IT WAS REPAVED.
