Subject: Large dead oak

Lori,

Yesterday April 3rd a Tavares resident called me concerned about a large dead oak tree on Alfred between New Hampshire and Joanna. I explained to him that this was a county road but I would pass along the info. I did take a look at the tree and do believe it's dead.

This is a general representation of recorded public R/W found in the records of the Right of Way Department. It is not a search of all public records. Should any discrepancy exist between the R/W shown on this map and the corresponding recorded document, the recorded document will prevail. A survey may be required to physically establish the location of any R/W on the ground.
