David –

As you and I discussed, there is an 43" oak tree that needs to be removed today. The tree is located at 30505 Alcrest Avenue in Mount Plymouth. Part of the tree has already fallen, please be sure this part of the tree is removed as well. There are not any hazards associated with this removal request. The normal paperwork will be sent to you as it is received from our field office. Please be sure to keep myself and/or Bob Baker updated as to the progress of this tree removal. Thank you!
