Subject: Drainage Complaint- 1826 Gertrude Place

Sid,
Per our discussion, please follow up with a Mr. Buddy Atkins- ref. complaint for road run off from Westland running down his property at above address.
His phone # is 267-9086. He can leave his office and meet you at property with 15 minutes' notice.

Very old plat/ subdivision which pre-dates drainage easements and typical lot grading standards. Nonetheless, It may be that his property is a "c" type. There may also be need for R/W swale work up hill from his property.

Please take plenty of photos.

Thanks
