Treeva,

Below is the email I received when I got in from the holiday on September 6<sup>th</sup>. We did have one of our guys from public works get called out over the weekend to go fill it. I did a search of my phone records of the number you provided. She called here at 4:08 on Friday the 26<sup>th</sup>. I asked Rose to check her records for that phone number and she didn't see it. But I do see a name on the work order of Jordan, not sure if that is the same person or not. Anyway, this is the information we have, don't know if it is two separate callers or not.

Hi Ley,

Can you please pass this along to be repaired again?

Thanks so much.

Forgot to ask you earlier. Last week I asked for a message be relayed to get the pothole on **Highland Street at Camp Ave** fixed (Citizen drive up complaint). I was so happy to see that it was quickly done and they did a great job. Thanks. However, since the storm rolled through Friday, it washed all of their hard work away and it is now **a little bigger** I think. Can you please pass on another message that the **first patch washed out** and request it be filled again. It is a nasty bump and cars slam in it and I worry it is going to cause damage to a vehicle.

Thanks so much  
Summer
