Hi Chris,

We will take care of the sidewalk repair at this address to prevent further delay. Moving forward, I think it would be a good idea for our attorneys to discuss maintenance responsibility of sidewalks within city limits so that we have an understanding when this type of issue is certain to arise again. I will have our attorney contact yours.

Thank you,
Lori

Jeff,
Just received a response from our City Attorney regarding maintenance responsibility of the pre-1995 sidewalks along Dora Ave. (within the Tavares city limits). He states that he has found nothing to indicate any change of the original S. Florida ruling. Therefore, it is our opinion that repairs to this particular sidewalk is the County's responsibility. I am available to discuss if necessary. Thanks Jeff.

This Message originated outside your organization.

Chris,

I have taken a look at the broken sidewalk located in front of 516 Dora Av. This sidewalk appears to be located within the city limits of Tavares and as such would be the responsibility of the city to repair and/or maintain. Please feel free to contact me if you have any questions or concerns.

Thanks,

JEFF JOHNSON
