Dear Mr. Stivender,

I live at 21132 CR 44A, Eustis and I am having a problem with someone driving on the shoulder of the road in front of my property.

I have enclosed pictures showing some mailboxes and then further back my fence. They are driving behind where the mailboxes are and my fence, tearing up the shoulder of the road.

My husband and I like to keep it nice by picking up trash and keeping it mowed during the summer.

Is there anything the County can do to stop these people from doing this, such as signs, etc. Would it be okay for us to string a wire or cable across the area to stop this?

You may respond by using my email address which is doubled79@centurylink.net.

Sincerely,

A handwritten signature in blue ink that reads "Mollie Duvall".

**Mollie Duvall**
