Good morning all –

Upon further inspection, it is not believed that this tree is dead and we will not be removing this tree. The homeowner is doing some earth work and land clearing; she further explained to Bob that she plans to put a fence along this property boundary where the tree is. I will notify stormwater of the lot grading that is taking place at this site.

Thank you!  
Brenda

Bob,

Please see the attached request. If the work will be done, please let me know so I can close our Request and convert it to an OSC work order.

Please note: the citizen's address is on Heim Rd, but the tree is on Old 441 (the back side of the property.)

Thank you,

T
