Details

Comm. Campione rec'd a call from Betty Robinson, 352-729-2844, who lives at 2580 Washington Road, Mt. Dora. She said that at the end of Washington is a Bingo Hall and every time there is a hard rain that the runoff from the Bingo Hall comes down Washington and her front yard looks like a river and her back yard a lake. (she has pics) When she moved in the house she had the driveway replaced and had it raised some and had she not done that the rain water would flood her garage. Her sidewalk is now breaking and dipping downward and she is very concerned about the possibility of a sink hole opening due to the poor drainage on Washington. She said others living on this road are experiencing similar issues.
