RE: Interlocal Agreement between Lake County and the City of Tavares for Alfred Street
Infrastructure

Dear Mr. Drury:

This letter shall serve as notification of completion of the Old 441/Alfred Street Milling and Resurfacing project. The Interlocal Agreement between Lake County and the City of Tavares for Alfred Street Infrastructure states, "... upon completion of the Project and payment of sums described above by County to City, City shall take ownership and maintenance responsibility for that portion of Alfred Street from Disston Avenue east to the intersection of Alfred Street with Dora Avenue, the Transferred roadway, including all stormwater and drainage systems and the railroad crossing agreement that currently exists between County, the Florida Department of Transportation and Florida Central Railroad for the railroad crossing that exists in the transferred area."

The sum of \$46,742.00 representing the County's share of necessary drainage improvements constructed by the City in the area of the transferred roadway has been remitted to the City in April 2016. Therefore, the date of completion, October 27, 2016, shall establish the transfer date for the City to take ownership and maintenance responsibility for Alfred Street from Disston Avenue to Dora Avenue and the associated stormwater and drainage systems and railroad crossing agreement.

Thank you for your cooperation and partnership. If you have any questions, please do not hesitate to contact me at (352)253-6005.

Sincerely,

Jim Stivender, Jr., P.E., P.L.S.
Director
