RE: Notice of Public Meeting for a Proposed Special Assessment Project to Pave Roads
within the Mount Plymouth Subdivision

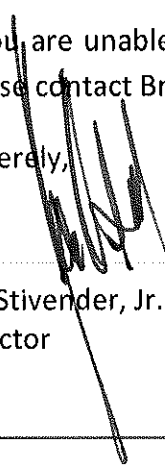

Dear Property Owner:

On **January 15, 2013** at **6 p.m.** there will be a public meeting at **Sorrento Elementary School Cafeteria** located at **24605 Wallick Road**, to discuss the *proposed* special assessment project to pave roads within the Mount Plymouth subdivision. This proposed special assessment project will entail paving the roads to County standards so that they will be maintained by the County. The County shall pay 33% of the cost of the improvements with the property owners paying the remaining 67% based on the amount of their front footage, with adjustments made for corner lots. After the completion and acceptance of the project, property owners are allowed to pay their assessment in full within thirty (30) days with no interest. Unpaid balances are placed on the property owners' tax bill as a non-ad valorem assessment for a period not to exceed ten (10) years at an interest rate not to exceed more than two percent (2%) the prime fixed rate, as determined by the Board of County Commissioners.

Representatives from the Lake County Public Works Department will be present to explain the special assessment program and to provide an estimated cost per property owner. Petitions to Improve Unimproved Roads will be available for signature that will request the Board of County Commissioners to approve this proposed special assessment program.

If you are unable to attend the meeting and have any questions about the proposed project, please contact Brenda Press at (352) 483-9020.

Sincerely,

Jim Stivender, Jr., P.E., P.L.S
Director

The County shall pay 33% of the cost of the improvements with the property owners paying the remaining 67% based on the amount of their front footage, with adjustments made for corner lots. After the completion and acceptance of the project, property owners are allowed to pay their assessment in full within thirty (30) days with no interest. Unpaid balances are placed on the property owners' tax bill as a non-ad valorem assessment for a period not to exceed ten (10) years at an interest rate not to exceed more than two percent (2%) the prime fixed rate, as determined by the Board of County Commissioners.

Representatives from the Lake County Public Works Department will be present to explain the special assessment program and to provide an estimated cost per property owner. Petitions to Improve Unimproved Roads will be available for signature that will request the Board of County Commissioners to approve this proposed special assessment program.

If you are unable to attend the meeting and have any questions about the proposed project, please contact Brenda Press at (352) 483-9020.

Sincerely,

Jim Stivender, Jr., P.E., P.L.S

RE: Notice of Public Meeting for a Proposed Special Assessment Project to Pave Roads
within the Mount Plymouth Subdivision

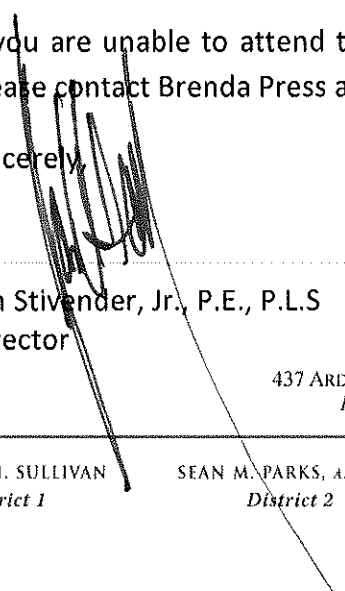

Dear Property Owner:

On **January 15, 2013** at **6 p.m.** there will be a public meeting at **Sorrento Elementary School Cafeteria** located at **24605 Wallick Road**, to discuss the *proposed* special assessment project to pave roads within the Mount Plymouth subdivision. This proposed special assessment project will entail paving the roads to County standards so that they will be maintained by the County. The County shall pay 33% of the cost of the improvements with the property owners paying the remaining 67% based on the amount of their front footage, with adjustments made for corner lots. After the completion and acceptance of the project, property owners are allowed to pay their assessment in full within thirty (30) days with no interest. Unpaid balances are placed on the property owners' tax bill as a non-ad valorem assessment for a period not to exceed ten (10) years at an interest rate not to exceed more than two percent (2%) the prime fixed rate, as determined by the Board of County Commissioners.

Representatives from the Lake County Public Works Department will be present to explain the special assessment program and to provide an estimated cost per property owner. Petitions to Improve Unimproved Roads will be available for signature that will request the Board of County Commissioners to approve this proposed special assessment program.

If you are unable to attend the meeting and have any questions about the proposed project, please contact Brenda Press at (352) 483-9020.

Sincerely,

Jim Stiven Her, Jr., P.E., P.L.S
Director

RE: Notice of Public Meeting for a Proposed Special Assessment Project to Pave Roads
within the Mount Plymouth Subdivision

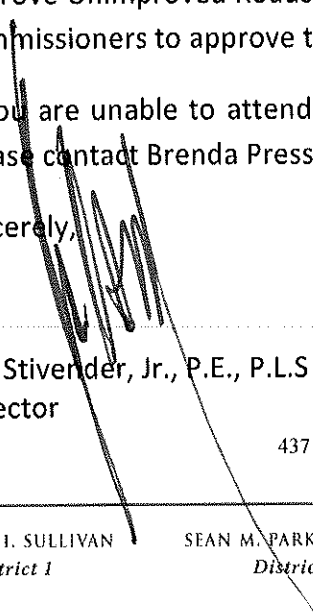

Dear Property Owner:

On **January 15, 2013** at **6 p.m.** there will be a public meeting at **Sorrento Elementary School Cafeteria** located at **24605 Wallick Road**, to discuss the **proposed** special assessment project to pave roads within the Mount Plymouth subdivision. This proposed special assessment project will entail paving the roads to County standards so that they will be maintained by the County. The County shall pay 33% of the cost of the improvements with the property owners paying the remaining 67% based on the amount of their front footage, with adjustments made for corner lots. After the completion and acceptance of the project, property owners are allowed to pay their assessment in full within thirty (30) days with no interest. Unpaid balances are placed on the property owners' tax bill as a non-ad valorem assessment for a period not to exceed ten (10) years at an interest rate not to exceed more than two percent (2%) the prime fixed rate, as determined by the Board of County Commissioners.

Representatives from the Lake County Public Works Department will be present to explain the special assessment program and to provide an estimated cost per property owner. Petitions to Improve Unimproved Roads will be available for signature that will request the Board of County Commissioners to approve this proposed special assessment program.

If you are unable to attend the meeting and have any questions about the proposed project, please contact Brenda Press at (352) 483-9020.

Sincerely,

Jim Stivender, Jr., P.E., P.L.S
Director

RE: Notice of Public Meeting for a Proposed Special Assessment Project to Pave Roads
within the Mount Plymouth Subdivision

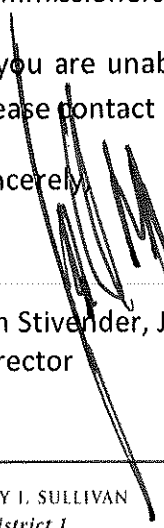

Dear Property Owner:

On **January 15, 2013** at **6 p.m.** there will be a public meeting at **Sorrento Elementary School Cafeteria** located at **24605 Wallick Road**, to discuss the **proposed** special assessment project to pave roads within the Mount Plymouth subdivision. This proposed special assessment project will entail paving the roads to County standards so that they will be maintained by the County. The County shall pay 33% of the cost of the improvements with the property owners paying the remaining 67% based on the amount of their front footage, with adjustments made for corner lots. After the completion and acceptance of the project, property owners are allowed to pay their assessment in full within thirty (30) days with no interest. Unpaid balances are placed on the property owners' tax bill as a non-ad valorem assessment for a period not to exceed ten (10) years at an interest rate not to exceed more than two percent (2%) the prime fixed rate, as determined by the Board of County Commissioners.

Representatives from the Lake County Public Works Department will be present to explain the special assessment program and to provide an estimated cost per property owner. Petitions to Improve Unimproved Roads will be available for signature that will request the Board of County Commissioners to approve this proposed special assessment program.

If you are unable to attend the meeting and have any questions about the proposed project, please contact Brenda Press at (352) 483-9020.

Sincerely,

Jim Stivender, Jr., P.E., P.L.S
Director
