DEPARTMENT OF PUBLIC WORKS

July 25, 2007

Mr. Richard B. Morrow, P.E.
Florida Department of Transportation
Dist. Traffic Operations Engineer
719 South Woodland Blvd.
Deland, FL 32720-6834

**RE: Section 11070 – M.P. 14.180
State Road 50 at Sandhill View Boulevard, Lake County**

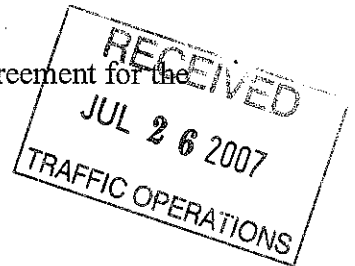

Dear Mr. Morrow:

As requested, I have enclosed two (2) executed copies of the maintenance agreement for the above referenced intersection. We retained one executed copy for our files.

If you have any questions, please give us a call.

Sincerely,

Teresa W. Conant
Engineering Assistant

Re: Section 11070 – M.P. 14.180
State Road 50 at Sandhill View Boulevard
Lake County

Dear Mr. ^{Fred} Schneider:

The Department has approved a traffic signal to be installed at the intersection of State Road 50 and Sandhill View Boulevard in conjunction with the construction of a future development.

We found that a traffic signal can be justified at this location based on the projected volumes from the proposed development. Before we can permit the signal to be installed, we must have a commitment from the County to maintain the traffic signal. Enclosed are three copies of maintenance agreement number 11-C-58 for the traffic signal approved at this location. Please have each copy of the maintenance agreement signed, keep one for your records and return the remaining copies to our office. This signal location will be added to Exhibit A of the Traffic Signal Maintenance and Compensation Agreement once it is fully operational.

Sincerely,

Richard B. Morrow, P.E.
District Traffic Operations Engineer
