**Notes:**

- This proposal is a unit price proposal. The total sum is an approximate sum based on the estimated quantities on the attached proposal (which is an integral part of this proposal) at the unit prices depicted thereon. The final contract amount of any contract resulting from this proposal shall be based on the quantities actually installed and field verified by the Owner's architect/engineer at these unit prices.
- Our price includes Insurance.
- All work is guaranteed to be installed in accordance with the latest applicable Code regulations, and to be free from mechanical and electrical defects for one year from the date of acceptance.
- All survey work is to be performed by others.
- This proposal is per the Revised Lake County Maintenance Contract.

**Payment Terms:**

Payments are to be made to us by the tenth day of the month for all work installed and materials placed on the job site during the preceding month, less five (5%) percent retainage (unless the Prime Contract calls for a different retainage percentage). Final Payment, including retainage, will be due not more than thirty (30) days after completion and acceptance of the work. Any contract resulting from this proposal shall be on the terms and conditions mutually acceptable to the Purchaser and Traffic Control Devices, Inc.
