Address Number

Intersect Route Ensley Rd

Details

N3-3887D-01 - The road is currently a gravel mix that I believe the homeowners put down to avoid getting stuck. That was prior to my living there. I have owned the residence at 25107 since 2010. In heavy rain it washes out the road and it ends up in my driveway. That runoff has now continued in heavy rains to flood my garage. I am worried that in a tropical event it will flood the entire house.

Notes

ROW - 50 ft, per PB 10, PG 43.

History

8/4/2014 Will dig swale on Seaforth to provide minimal assistance. Advised Wall, Treeva citizen that he should dig a swale along his property past his driveway.
