Good Morning Brenda,

Trash was collected at the referenced location for the 11/7/17 trash cycle. It was collected since we did not have any communication stating not to do so. Your request has been noted and will not be included in future cycles.

Thank you,

Good morning Norma,

I received your invoice dated 11/7/2017 for the first cycle of trash removal only. I am trying to verify the invoice amount and referenced your inspection sheet. Did your crews pick up trash from the retention ponds on CR 466A? As we have requested in the past years, we do not want trash removal on the vacant lots and retention areas. If you removed trash from this area, we will pay it on this invoice, but please note that future cycles should not include any vacant lots or retention areas unless specifically requested in writing.

If this area was not serviced and invoiced in error, please submit a revised invoice for 361,037SY totaling \$1,805.19. Thank you in advance for your timely attention to this request.

Have a great day!
