Bob,
Here's a few sod jobs for you, I have sent two requests because there's two different types of sod for different locations in the same area. **We need sod that hasn't been frozen, very finicky folks.**

Thanks

Subject: Vista Del Sol Circle Sod Request

JP 2/23/15
BP 2/20/15

David Berger sent an email requesting sod for 4 properties along Vista Del Sol Circle in Clermont. He stated that we needed to make sure we placed the best quality sod possible. Our recent orders with Cottom's Sod have resulted in low quality sod that has invasive weeds growing in it. At this time, Cottom's Sod is the lowest priced vendor for sod to be delivered and installed; however, Lake Gem has the better quality sod. There is a price difference of \$915 for Lake Gem to deliver and install the sod for this request. Due to the sensitivity with the residents and the poor quality of sod received in the past from Cottom's Sod, we are placing the order for this sod with Lake Gem Farms.
