Specifications and/or Special Conditions

Right of Way Tree Trimming and Vegetation Removal along CR 437 beginning at State Road 46 and ending at CR 44A (approximately 4.72 miles). The side clearance along this road is 18 feet from the edge of pavement. There should be a clearly defined tree trunk/fence line after all tree trimming, palm removal, brush clearing, vegetation removal and debris cleanup is completed. The price shall include the complete removal of any dead trees located within the right of way.

Each vendor is strongly encouraged to perform a site visit to verify the measurements and determine the extent of the services required. All work shall be completed in accordance with the specifications as outlined in Section 2 (Statement of Work) of the contract.

Certain insurance requirements apply to any purchase in response to this RFQ: No

If "yes" is specified above, the specific requirements are described within this RFQ. The vendor selected for award must provide a Certificate of Insurance that clearly complies with the stated insurance requirements prior to issuance of any purchase order. Failure to do so within the requested timeframe (five (5) working days under otherwise noted) may be cause for rejection of that vendor's response.

I acknowledge and agree to abide by all conditions contained in this quotation as well as any special instruction sheet(s) if applicable. Payment terms 30 Days from receipt of materials and/or services and receipt of a proper invoice; delivery FOB Destination – Inside Delivery.
