Subject: Project Order Form
Contract No. 15-0405B Swale and Ditch Digging and Related Services.
Purchase Order No. 20160075

Dear, Thunderhole Inc.

Please find below a request for services under the Swale and Ditch Digging and Related Services Contract No. 15-0405B. A description of the requested services and project specific information is listed below.

Unless otherwise instructed by the Project Manager, the swale or ditch should be dug to a maximum side slope of three (3) to one (1). The bottom of the swale or ditch shall be well rounded to allow for the ease of mowing. The swales or ditches shall be dug in one (1) foot depth increments and shall be fourteen (14) feet in width.

Any questions or discrepancies must be addressed and agreed upon between the Contractor and the Project Manager prior to performing any work. Any work performed without agreement by all parties shall be paid in accordance with the terms and conditions of the Contract. Invoices should be sent to Post Office Box 7800, Tavares, FL 32778.

Pursuant to the Contract, all work shall begin within ten (10) business days from the date of this notice. Please make sure to contact our office regarding the scheduling of this work.

This work is to be completed pursuant to the site visit conducted with the Project Manager.
