Subject: 37" Oak Tree Removal on Oak Avenue in Sorrento

Native Land & Tree is the lowest price vendor for this work at \$2,400 but Native is currently the awarded vendor for four (4) ROW tree trimming projects that must be completed by July 29th. Native Land & Tree is currently behind schedule for their first project which was estimated to be completed in 12 days and they are still working on this project at day 24. In an effort to prevent further delays for Native and to expedite the removal of this tree, I am requesting approval to award this tree removal to Total Land & Tree for a cost increase of \$150.

Good morning Steve/Randy –

The work request states that LCSO reported a tree down blocking the road. Is the tree already down for the most part? The picture is dark and hard to see any relevant information. What is the sense of urgency on this request? We have two contractors and I may have to award this work based on their availability if this request is time sensitive. Please advise.

Thank you ☺
