**Subject:** RE: CR 473

**Importance:** High

Good morning Charlie & Rusty –

Happy Friday! I noticed this morning that there are two dead pine trees on the east side of CR 473 between Learn Road and South Haines Creek. **If** these trees are in the right of way, I would like to have the contractor remove all three trees. Please take a look at these trees, verify right-of-way, measure them and send to me on the original request for CR 473 and we will take care of the removal.

Thank you ☺
