Subject: Re: Tree Removal - 16047 Ocala Street

The home owner "lee" was going to take the fence down.
He said his guys misunderstood. So we had to take part of it down ourselves. Some of it broke in the process.
But the homeowner said not to worry about it. He said he was going to fix it. And he apologized for us having to do it.
I offered to fix anything he wanted me to.
If anything changes and I need to fix it. Just let me know.
And I will gladly go make any repairs needed.
Thanks
Chad
