**Re: Hartwood Marsh Road Phase I
US 27 to 1500 feet East of Hancock Road
Application No. 40-069-114354-1
Response to Request for Additional Information**

Dear Ms. Grady:

Please find enclosed the following revised documents to the North Winter Park Drive Environmental Resource Permit Application.

- Three (3) copies of the Construction Plans
- Three (3) copies of the Response to Request for Additional Information

We offer the following responses to your comments.

Comment 1: Please provide revised pre, "interim", and post-development drainage basin maps that include sufficient on and off-site area topographical elevations. Clearly delineate the specific flow paths used in determining the time-of-concentrations for each basin. This information is necessary to validate the water quality and quantity calculations submitted with your application. [40C-4.301(1)(a)(b)(c)(e)(i); 40C-42.026(1), F.A.C.; 10.3, 11.2 A.H]

Response: *Please refer to the Flow Path plan sheets for the Pre and Post Development Condition located in the Appendix of the Response to the Request for Additional Information.*
