### THE ST. JOHNS RIVER WATER MANAGEMENT DISTRICT GIVES WRITTEN NOTICE OF INTENDED DISTRICT DECISION

The District gives notice of its intent to issue a permit to the following applicant(s) on March 13, 2001.

Greater Construction Corporation, 1105 Kensington Dr., Altamonte Springs, FL 32714, application #4-069-19339-4. The project is located in Lake County, Sections 28 & 33, Township 22 South, Range 26 East. The ERP application is for modification to the previously issued surface water management permits associated with construction for a single-family residential subdivision known as Greater Pines, Phases 8-10. The receiving waterbody is Lost Lake.

A person whose substantial interests are affected by any of the District's proposed, permitting decisions identified above may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S., or all parties may reach a written agreement on mediation as an alternative remedy under Section 120.573, F.S. Choosing mediation will not adversely affect the right to a hearing if mediation does not result in a settlement. The procedures for pursuing mediation are set forth in Section 120.573, F.S. and Rules 28-106.111 and 28-106.401 - .405, F.A.C. Petitions must comply with the requirements of Florida Administrative Code Chapter 28-106 and be filed with (received by) the District Clerk located at District Headquarters, 4049 Reid St., Palatka, Florida, 32177.

The file(s) containing each of the above-listed application(s) are available for inspection, Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters or the appropriate Service Center. The District will take action on each permit application listed above unless a petition for an administrative proceeding (hearing) is filed pursuant to the provisions of Sections 120.569 and 120.57, Florida Statutes Chapter 28-106 and 40C-1.1007, Florida Administrative Code (F.A.C.).

Petitions for administrative hearing on the above application(s) must be filed within twenty-one (21) days of publication of this notice or within twenty-six (26) days of the District depositing this notice of intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Sections 120.569 and 120.57 F.S., concerning the subject permit application. Petitions, which are not filed in accordance with the above provisions, are subject to dismissal.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interest will be affected by any such final decision of the District on the application have the right to become a party to the proceeding, in accordance with the requirements set forth above.

## **MAKING COMMENTS OR OBJECTIONS FOR PERSONS WHO DO NOT WISH TO FILE PETITIONS FOR ADMINISTRATIVE PROCEEDINGS**

If you have comments or objections to one of the applications listed on the enclosed Notice of Intended District Decision, but you do not wish to file a petition for Formal Administrative Proceedings, comments or objections should be made in writing to: Director, Permit Data Services, P.O. Box 1429, Palatka, Florida 32178-1429. In order for comments or objections to be considered by the Governing Board prior to taking action on the application, they must be received at least seven (7) days before the meeting at which the application will be considered. You are entitled to appear at the public meeting to address the Governing Board concerning the application. The staff recommendation, any presentation by you or others, and any objections will be considered by the Board before a final permit decision is made.

### **OTHER INFORMATION**

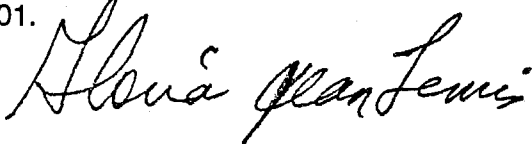

With regard to the applications listed on the enclosed notice, if you wish to receive a copy of the Technical Staff Report (TSR) which provides the staff's analysis of the application and any recommended conditions on the proposed permit, please submit your request to receive the TSR to the Director of Permit Data Services at the address listed above.

The file(s) containing each of the listed applications are available for inspection Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters, 4049 Reid St., Palatka, Florida. You may also view files at one of the District's Service Centers, but you should call Service Center staff in advance to make sure that the files are at a specific Service Center.

The Governing Board will consider permit applications listed on the enclosed Notice during the meeting which begins at 1:00 p.m. on March 13, 2001, or as soon thereafter as it may come to be heard at: St. Johns River Water Management District Headquarters, 4049 Reid St., Palatka, FL 32178. Agenda items scheduled for action on Tuesday, March 13, 2001, may be postponed for consideration at the Governing Board meeting which begins at 9:00 a.m. on March 14, 2001.

### **CERTIFICATE OF SERVICE**

This is to certify that the notice of District Governing Board's intent to act on permit application(s) and all copies were mailed before the close of business on February 22, 2001.

## MAKING COMMENTS OR OBJECTIONS FOR PERSONS WHO DO NOT WISH TO FILE PETITIONS FOR ADMINISTRATIVE PROCEEDINGS

If you have comments or objections to one of the applications listed on the enclosed Notice of Intended District Decision, but you do not wish to file a petition for Formal Administrative Proceedings, comments or objections should be made in writing to: Director, Permit Data Services, P.O. Box 1429, Palatka, Florida 32178-1429. In order for comments or objections to be considered by the Governing Board prior to taking action on the application, they must be received at least seven (7) days before the meeting at which the application will be considered. You are entitled to appear at the public meeting to address the Governing Board concerning the application. The staff recommendation, any presentation by you or others, and any objections will be considered by the Board before a final permit decision is made.

### OTHER INFORMATION

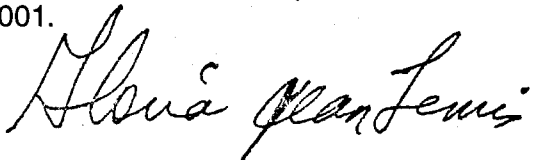

With regard to the applications listed on the enclosed notice, if you wish to receive a copy of the Technical Staff Report (TSR) which provides the staff's analysis of the application and any recommended conditions on the proposed permit, please submit your request to receive the TSR to the Director of Permit Data Services at the address listed above.

The file(s) containing each of the listed applications are available for inspection Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters, 4049 Reid St., Palatka, Florida. You may also view files at one of the District's Service Centers, but you should call Service Center staff in advance to make sure that the files are at a specific Service Center.

The Governing Board will consider permit applications listed on the enclosed Notice during the meeting which begins at 1:00 p.m. on March 13, 2001, or as soon thereafter as it may come to be heard at: St. Johns River Water Management District Headquarters, 4049 Reid St., Palatka, FL 32178. Agenda items scheduled for action on Tuesday, March 13, 2001, may be postponed for consideration at the Governing Board meeting which begins at 9:00 a.m. on March 14, 2001.

### CERTIFICATE OF SERVICE

This is to certify that the notice of District Governing Board's intent to act on permit application(s) and all copies were mailed before the close of business on February 22, 2001.

The staff of the St. Johns River Water Management District has completed its review of the application described below. The District has permitting jurisdiction under Chapters 40C-1, 40C-42, or 40C-4, F.A.C., Chapters 120 and 373, F.S., and delegated portions of Chapter 403, F.S. for WRM permit applications.

The District gives notice of its intent to issue a permit to the following applicant on March 13,

Greater Construction Corporation, 1105 Kensington Dr., Altamonte Springs, FL 32714, application #4-069-19339-4. The project is located in Lake County, Sections 28 & 33, Township 22 South, Range 26 East. The ERP application is for modification to the previously issued surface water management permits associated with construction for a single-family residential subdivision known as Greater Pines, Phases 8-10. The receiving waterbody is Lost Lake.

## PETITIONS FOR ADMINISTRATIVE PROCEEDINGS

Any person whose substantial interests are or may be affected by this written Notice of District Decision, may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S. Petitions for an administrative hearing on the above application must be "filed" (See Notice of Rights) by you within twenty-six (26) days of the District depositing this written Notice of Intended District Decision in the mail. Failure to file a petition within this time period shall constitute a waiver of any rights you may have to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., concerning the subject permit application. Petitions which are not filed in accordance with the Notice of Rights are subject to dismissal. Attached is a Notice of Rights.

## MAKING COMMENTS OR OBJECTIONS FOR PERSONS WHO DO NOT WISH TO FILE PETITIONS FOR ADMINISTRATIVE PROCEEDINGS

If you have comments or objections to this Notice of Intended District Decision, but you do not wish to file a petition for Formal Administrative Proceedings, comments or objections should be made in writing to: Director, Permit Data Services, P.O. Box 1429, Palatka, Florida 32178-1429. In order for comments or objections to be considered by the Governing Board prior to taking action on the application, they must be received at least seven (7) days before the meeting at which the application will be considered. You are entitled to appear at the public meeting to address the Governing Board concerning the application. The staff recommendation, any presentation by you or others, and any objections will be considered by the Board before a final permit decision is made.

### OTHER INFORMATION

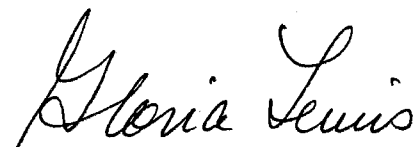

If you wish to receive a copy of the Technical Staff Report (TSR) which provides the staff's analysis of the application and any recommended conditions on the proposed permit, please submit your request to receive the TSR to the Director of Permit Data Services at the address listed above.

The file(s) containing the application is available for inspection Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters, 4049 Reid St., Palatka, Florida. You may also view files at one of the District's Service Centers, but you should call Service Center staff in advance to make sure that the files are at a specific Service Center.

The Governing Board will consider this permit application during the meeting which begins at 1:00 p.m. on March 13, 2001, or as soon thereafter as it may come to be heard at: St. Johns River Water Management District Headquarters, 4049 Reid St., Palatka, FL 32178. Agenda items scheduled for action on Tuesday, March 13, 2001, may be postponed for consideration at the Governing Board meeting which begins at 9:00 a.m. on March 14, 2001.

Questions concerning this project should be addressed to Rickie A Ottesen, Engineer III, in the Orlando Service Center ((407)897-4322) or Barbara N Prynosi, Regulatory Scientist II, in the Orlando Service Center ((407)897-4338).

Sincerely,

Gloria Lewis, Director *AB*

## Notice Of Rights

1. A person whose substantial interests are or may be determined has the right to request an administrative hearing by filing a written petition with the St. Johns River Water Management District (District), or may choose to pursue mediation as an alternative remedy under Sections 120.569 and 120.573, Florida Statutes, before the deadline for filing a petition. Choosing mediation will not adversely affect the rights to a hearing if mediation does not result in a settlement. The procedures for pursuing mediation are set forth in Sections 120.569 and 120.57, Florida Statutes, and Rules 28-106.111 and 28-106.401-.405, Florida Administrative Code. Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code, the petition must be filed at the office of the District Clerk at District Headquarters, P. O. Box 1429, Palatka, Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) within twenty-six (26) days of the District depositing notice of District decision in the mail (for those persons to whom the District mails actual notice) or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail actual notice). A petition must comply with Chapter 28-106, Florida Administrative Code.
2. If the Governing Board takes action which substantially differs from the notice of District decision, a person whose substantial interests are or may be determined has the right to request an administrative hearing or may choose to pursue mediation as an alternative remedy as described above. Pursuant to District Rule 40C-1.1007, Florida Administrative Code, the petition must be filed at the office of the District Clerk at the address described above, within twenty-six (26) days of the District depositing notice of final District decision in the mail (for those persons to whom the District mails actual notice) or within twenty-one (21) days of newspaper publication of the notice of its final agency action (for those persons to whom the District does not mail actual notice). Such a petition must comply with Rule Chapter 28-106, Florida Administrative Code.
3. A substantially interested person has the right to a formal administrative hearing pursuant to Section 120.569 and 120.57(1), Florida Statutes, where there is a dispute between the District and the party regarding an issue of material fact. A petition for formal hearing must comply with the requirements set forth in Rule 28-106.201, Florida Administrative Code.
4. A substantially interested person has the right to an informal hearing pursuant to Sections 120.569 and 120.57(2), Florida Statutes, where no material facts are in dispute. A petition for an informal hearing must comply with the requirements set forth in Rule 28-106.301, Florida Administrative Code.
5. A petition for an administrative hearing is deemed filed upon delivery of the petition to the District Clerk at the District headquarters in Palatka, Florida.

## Notice Of Rights

6. Failure to file a petition for an administrative hearing, within the requisite time frame shall constitute a waiver of the right to an administrative hearing (Section 28-106.111, Florida Administrative Code).
7. The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, and Chapter 28-106, Florida Administrative Code and Section 40C-1.1007, Florida Administrative Code.
8. An applicant with a legal or equitable interest in real property who believes that a District permitting action is unreasonable or will unfairly burden the use of his property, has the right to, within 30 days of receipt of notice of the District's written decision regarding a permit application, apply for a special master proceeding under Section 70.51, Florida Statutes, by filing a written request for relief at the office of the District Clerk located at District headquarters, P. O. Box 1429, Palatka, FL 32178-1429 (4049 Reid St., Palatka, Florida 32177). A request for relief must contain the information listed in Subsection 70.51(6), Florida Statutes.
9. A timely filed request for relief under Section 70.51, Florida Statutes, tolls the time to request an administrative hearing under paragraph no. 1 or 2 above (Paragraph 70.51(10)(b), Florida Statutes). However, the filing of a request for an administrative hearing under paragraph no. 1 or 2 above waives the right to a special master proceeding (Subsection 70.51(10)(b), Florida Statutes).
10. Failure to file a request for relief within the requisite time frame shall constitute a waiver of the right to a special master proceeding (Subsection 70.51(3), Florida Statutes).
11. Any substantially affected person who claims that final action of the District constitutes an unconstitutional taking of property without just compensation may seek review of the action in circuit court pursuant to Section 373.617, Florida Statutes, and the Florida Rules of Civil Procedures, by filing an action in circuit court within 90 days of the rendering of the final District action, (Section 373.617, Florida Statutes).
12. Pursuant to Section 120.68, Florida Statutes, a person who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to the Florida Rules of Appellate Procedure within 30 days of the rendering of the final District action.
13. A party to the proceeding before the District who claims that a District order is inconsistent with the provisions and purposes of Chapter 373, Florida Statutes, may seek review of the order pursuant to Section 373.114, Florida Statutes, by the Florida Land and Water Adjudicatory Commission, by filing a request for review with the Commission and serving a copy on the Department of Environmental Protection and any person named in the order within 20 days of adoption of a rule or the rendering of the District order.

## Notice Of Rights

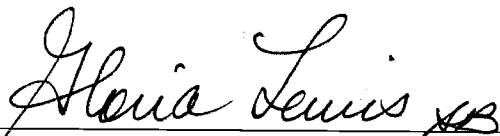

14. For appeals to the District Court of Appeal, a District action is considered rendered after it is signed on behalf of the District, and is filed by the District Clerk.
15. Failure to observe the relevant time frames for filing a petition for judicial review described in paragraphs #11 and #12, or for Commission review as described in paragraph #13, will result in waiver of that right to review.

**ST. JOHNS RIVER WATER MANAGEMENT DISTRICT GIVES  
WRITTEN NOTICE OF INTENDED DISTRICT DECISION**

**The District gives notice of its intent to issue a permit to the following applicant(s) on  
March 13, 2001:**

Greater Construction Corporation, 1105 Kensington Dr., Altamonte Springs, FL 32714, application #4-069-19339-4. The project is located in Lake County, Sections 28 & 33, Township 22 South, Range 26 East. The ERP application is for modification to the previously issued surface water management permits associated with construction for a single-family residential subdivision known as Greater Pines, Phases 8-10. The receiving waterbody is Lost Lake.

Lake County School Board, 518 West Alfred Street, Tavares, FL 32778, application #4-069-68981-1. The project is located in Lake County, Section 28, Township 22 South, Range 26 East. The ERP application is for construction of a surface water management system to serve the new Lake County High School "AAA". The receiving waterbody is Lost Lake.

The file(s) containing each of the above-listed application(s) are available for inspection Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters or the appropriate Service Center. The District will take action on each permit application listed above unless a petition for an administrative proceeding (hearing) is filed pursuant to the provisions of Sections 120.569 and 120.57, Florida Statutes Chapter 28-106 and 40C-1.1007, Florida Administrative Code (F.A.C.).

A person whose substantial interests are affected by any of the District's proposed permitting decisions identified above may petition for administrative hearing in accordance with Sections 120.569 and 120.57, F.S., or all parties may reach a written agreement on mediation as an alternative remedy under Section 120.573, F.S. Choosing mediation will not adversely affect the right to a hearing if mediation does not result in a settlement. The procedures for pursuing mediation are set forth in Section 120.573, F.S., and Rules 28-106.111 and 28-106.401-.405, F.A.C. Petitions must comply with the requirements of Florida Administrative Code, Chapter 28-106 and be filed with (received by) the District Clerk, located at District Headquarters, 4049 Reid Street, Palatka, Florida 32177.

Petitions for administrative hearing on the above application(s) must be filed within twenty-one (21) days of publication of this notice or within twenty-six (26) days of the District depositing this notice of intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., concerning the subject permit application. Petitions which are not filed in accordance with the above provisions are subject to dismissal.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the District on the application have the right to become a party to the proceeding, in accordance with the requirements set forth above.

SUBJECT: Interested Persons for Lake County

Dear MS. GRIFFIN,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.

SUBJECT: Interested Persons for Lake County

Dear MR. WOODS,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.

Dear MR. BENTON,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.

Dear SIR/MADAM,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.

Permit applications beginning with "400" are Noticed General Permit applications. For these applications, any objections as to whether the proposed activity qualifies for the requested noticed general permit must be made in writing and filed with (received by) the District Clerk, P. O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice receipt of application. The posting date is shown on the bottom of Section C in the Shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". If no timely objections are received, District staff will notify the applicant within 30 days from the date of receipt of notice of intent, whether the proposed activity qualifies for the requested noticed general permit. If timely objections are received, the procedures applicable to an Individual permit application will be followed in determining compliance with the terms of the Noticed General Permit. As compared to noticed general permit procedures, procedures for individual permits require that the District Governing Board act on (approve or deny) the application.

Sincerely,

SECTION C  
ENVIRONMENTAL RESOURCE PERMIT NOTICE OF RECEIPT OF APPLICATION

This information is required in addition to that required in other sections of the application. Please submit five copies of this notice of receipt of application and all attachments. Please submit all information on 8 1/2" x 11" paper.

Project Name: GREATER PINES, PHASES 8-10 County Lake County  
Owner: The Greater Construction Corp.  
Applicant: \_\_\_\_\_  
Applicant's Address: 1105 Kensington Park Drive  
Altamonte Springs, FL 32714

1. Indicate the project boundaries on a USGS quadrangle map reduced or enlarged as necessary to legibly show the entire project. If not apparent from the quad map, attach a location map showing a north arrow and a graphic scale; Section(s), Township(s), and Range(s); and sufficient detail to allow a person unfamiliar with the site to find it.
2. Provide the names of all wetlands, or other surface waters that would be dredged, filled, impounded, diverted, drained, or would receive discharge (either directly or indirectly), or would otherwise be impacted by the proposed activity, and specify if they are in an Outstanding Florida Water or Aquatic Preserve:  
Lost Lake and surrounding wetlands will receive discharge after treatment. No encroachment or impact is proposed.
3. Attach a depiction (plan and section views), which clearly shows the works or other facilities proposed to be constructed. Use a scale sufficient to show the location and type of works. Use multiple sheets, if necessary.
4. Briefly describe the proposed project (such as "construct a deck with boatshelter" "replace two existing culverts" ; construct surface water management system to serve 150 acre residential development"):  
This proposed project is to consist of the construction of 126 single family homes, the roadways, stormwater drainage and treatment system, and utilities for Phases 8-10 of the Greater Pines subdivision. Phases 1-7 have already been permitted under previous SJRWMD Permits.
5. Specify the acreage of wetlands or other surface waters, if any, that are proposed to be disturbed, filled, excavated or otherwise impacted by the proposed activity  
None
6. Provide a brief statement describing any proposed mitigation for impacts to wetlands and other surface waters (attach additional sheets if necessary):
