Hi Ken:

I have been informed that you have some knowledge about this problem,.... Hoping maybe you can assist me with where to go with it. I remember addressing it a couple of years ago with someone from SJRWMD, but I didn't realize it had never been resolved, until now.

From what I *very vaguely* remember, there was a dispute over who was supposed to be maintaining the area; Lennar or Kings Ridge.

What has transpired since 2009 when I last addressed this?... and if this is something I can move along from a code enforcement perspective, please let me know.

Thanks,

Suzanne
