Ken, I wanted to pass along to you the email from Suzanne O'Shea concerning the scheduling of a meeting with the City of Clermont. Also, when I spoke with Suzanne after speaking with you, she indicated that they were not just concerned with the aesthetics of the outfall/outflow area but also with the functioning of the system in general. Based upon my conversation with you this morning, it is my understanding that issues dealing with the functioning of the system would be solely under the jurisdiction of SJRWMD. If my understanding is correct, this is another reason why a meeting is needed before this issue goes forward.

For your review and convenience, I am attaching a copy of the Revised Violation Notice which sets forth the compliance conditions and deadlines from the City. Additionally, when you and I spoke earlier, you had mentioned that you had a copy of the Special Warranty Deed concerning the Golf Course. Would you mind sending me a copy of it? I would greatly appreciate that.

Thank you again.

Hi Sara:

Tamara will be on vacation all next week.

Are you available the morning of either the 23rd or 24th ?

If so, then I will start with either of those dates to get in touch with everyone.

Thanks-

Suzanne
