Re: Two Year Extension- HB 7207
Six Month Extension- SB 2156
King's Ridge, Clermont, Lake County, Florida

Dear Mr. Carlie:

Lennar Homes, LLC and U.S. Home Corporation are holders of the below listed permit. The purpose of this letter is to notify you that that Lennar Homes, LLC and U.S. Home Corporation will rely on the two (2) legislatively approved extensions. The first extension is the Two-Year Extension of the expiration dates as granted by House Bill 7207. House Bill 7207 was adopted as the Community Planning Act and detailed the various extensions authorized.

Also, please be advised that SB 2156 created Section 252.363, Florida Statutes (2011) which extends and tolls certain time-frames associated with specified permits and development orders within the geographic area of a Governor's state of emergency declaration. The extension period is six (6) months in addition to the tolled period. The Governor issued Executive Order ("EO") No. 11-128 (as extended by EO Nos. 11-172 and 11-202) declaring State of Emergency for Florida due to significant drought and wildfire conditions. While the Governor's state of emergency declaration has an original effective date of June 13, 2011, the tolling period began on the effective date of SB 2156, which was July 1, 2011. Based on the effective date of SB 2156, the tolling period is 126 days.

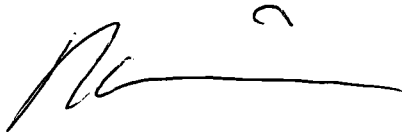

The new expiration dates will be as follows:

Permit	Issue	Expiration	SB 360/SB 1752	HB 7207	SB 2156
2-069-1212N	May 14, 1996	May 14, 2011	May 14, 2013	May 14, 2015	Mar. 17, 2016
40-069-19411-17	Oct. 9, 2003	Oct. 9, 2008	Oct. 9, 2012	Oct. 9, 2014	Aug. 12, 2015
40-069-19411-1	Nov. 14, 2003	Nov. 14, 2008	Nov. 14, 2012	Nov. 14, 2014	Sept. 20, 2105

Lennar Homes, LLC and U.S. Home Corporation anticipate acting on the permits and completing work authorized by the permits prior to the new expiration dates. No warning letters have been issued and no enforcement actions are pending for noncompliance with the conditions of any of the permits identified above, and the extension of the expiration dates of the permits will not delay or prevent compliance with a court order.

In accordance with House Bill 7207 and SB 2156, please consider this the requisite notice that Lennar Homes, LLC and U.S. Home Corporation hereby request to extend the expiration dates as listed above for the development of their property located within the above listed project. Please contact me should you require anything further to process these extensions or if you have any questions. Thank you for your assistance.

Sincerely,

Rob Bonin, Vice President
Lennar Homes, LLC
U.S. Home Corporation
