NOTICE OF AGENCY ACTION TAKEN BY THE ST. JOHNS RIVER WATER MANAGEMENT DISTRICT

Notice is given that the following permit was issued on April 12, 2000: Lennar Land Partners, Attn: Robert Ahrens, 1110 Douglas Avenue, Suite 2040, Altamonte Springs, Florida 32714, permit # 40-069-19411-12. The project is located in Lake County, Section 4, Township 23 South, Range 26 East. The permit authorizes construction and operation of a surface water management system consisting of a 46.75 acre, 229 lot single-family residential community with associated access roads to the lots. The system includes a pipe network to convey the surface water runoff to the master surface water management system (see permit 4-069-032000-ERP issued April 11, 2000). This is the first phase of development known as Kings Ridge North. It is in the north section of the Kings Ridge development. The receiving waterbody is Lake Fetter.

The file(s) containing the application for the above listed permit is available for inspection Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District (District) Headquarters, Hwy 100 W., Palatka, Florida 32178-1429. A person whose substantial interests are affected by the District permitting decision for an administrative hearing in accordance with section 120.57, F.S. Petitions must comply with the requirements of Florida Administrative Code Rule 40C-1.511 and 40C-1.521 and be filed with (received by) the District Clerk located at District Headquarters, Highway 100 West, Palatka, Florida 32177. Petitions for administrative hearing on the above application(s) must be filed within fourteen (14) days of publication of this notice or within nineteen (19) days of the District depositing notice of this intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right(s) such person(s) may have to request an administrative determination (hearing) under section 120.57, F.S., concerning the subject permit. Petitions which are not filed in accordance with the above provisions are subject to dismissal.

ANN GRIFFIN
33428 PICCIOLA DRIVE
FRUITLAND, FL 34731

SUBJECT: Interested Persons for Lake County

Dear MS. GRIFFIN,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.

Permit applications beginning with "400" are Noticed General Permit applications. For these applications, any objections as to whether the proposed activity qualifies for the requested noticed general permit must be made in writing and filed with (received by) the District Clerk, P. O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice receipt of application. The posting date is shown on the bottom of Section C in the Shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". If no timely objections are received, District staff will notify the applicant within 30 days from the date of receipt of notice of intent, whether the proposed activity qualifies for the requested noticed general permit. If timely objections are received, the procedures applicable to an Individual permit application will be followed in determining compliance with the terms of the Noticed General Permit. As compared to noticed general permit procedures, procedures for individual permits require that the District Governing Board act on (approve or deny) the application.

Permit applications beginning with "400" are Noticed General Permit applications. For these applications, any objections as to whether the proposed activity qualifies for the requested noticed general permit must be made in writing and filed with (received by) the District Clerk, P. O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice receipt of application. The posting date is shown on the bottom of Section C in the Shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". If no timely objections are received, District staff will notify the applicant within 30 days from the date of receipt of notice of intent, whether the proposed activity qualifies for the requested noticed general permit. If timely objections are received, the procedures applicable to an Individual permit application will be followed in determining compliance with the terms of the Noticed General Permit. As compared to noticed general permit procedures, procedures for individual permits require that the District Governing Board act on (approve or deny) the application.

SUBJECT: Interested Persons for Lake County

Dear MR. LEE,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.

SUBJECT: Interested Persons for Lake County

Dear MR. BENTON,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.

Permit applications beginning with "400" are Noticed General Permit applications. For these applications, any objections as to whether the proposed activity qualifies for the requested noticed general permit must be made in writing and filed with (received by) the District Clerk, P. O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice receipt of application. The posting date is shown on the bottom of Section C in the Shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". If no timely objections are received, District staff will notify the applicant within 30 days from the date of receipt of notice of intent, whether the proposed activity qualifies for the requested noticed general permit. If timely objections are received, the procedures applicable to an Individual permit application will be followed in determining compliance with the terms of the Noticed General Permit. As compared to noticed general permit procedures, procedures for individual permits require that the District Governing Board act on (approve or deny) the application.

Permit applications beginning with "400" are Noticed General Permit applications. For these applications, any objections as to whether the proposed activity qualifies for the requested noticed general permit must be made in writing and filed with (received by) the District Clerk, P. O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice receipt of application. The posting date is shown on the bottom of Section C in the Shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". If no timely objections are received, District staff will notify the applicant within 30 days from the date of receipt of notice of intent, whether the proposed activity qualifies for the requested noticed general permit. If timely objections are received, the procedures applicable to an Individual permit application will be followed in determining compliance with the terms of the Noticed General Permit. As compared to noticed general permit procedures, procedures for individual permits require that the District Governing Board act on (approve or deny) the application.

Dear MR. HUNT,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.

Permit applications beginning with "400" are Noticed General Permit applications. For these applications, any objections as to whether the proposed activity qualifies for the requested noticed general permit must be made in writing and filed with (received by) the District Clerk, P. O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice receipt of application. The posting date is shown on the bottom of Section C in the Shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". If no timely objections are received, District staff will notify the applicant within 30 days from the date of receipt of notice of intent, whether the proposed activity qualifies for the requested noticed general permit. If timely objections are received, the procedures applicable to an Individual permit application will be followed in determining compliance with the terms of the Noticed General Permit. As compared to noticed general permit procedures, procedures for individual permits require that the District Governing Board act on (approve or deny) the application.

Dear MS. BEARDEN,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.

O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice receipt of application. The posting date is shown on the bottom of Section C in the Shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". If no timely objections are received, District staff will notify the applicant within 30 days from the date of receipt of notice of intent, whether the proposed activity qualifies for the requested noticed general permit. If timely objections are received, the procedures applicable to an Individual permit application will be followed in determining compliance with the terms of the Noticed General Permit. As compared to noticed general permit procedures, procedures for individual permits require that the District Governing Board act on (approve or deny) the application.

Dear SIR/MADAM,

In compliance with your request for notice of applications received in Lake County, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application, Section A of the application, and a location map for each permit application applied for within the above referenced county.

Permit applications beginning with a 42" followed by an "I" (for example, 42-109-0001AI) or a "4" are Individual permit applications that require the District Governing Board to act on (approve or deny) the application. For these applications, you are advised to notify the District within 14 days of receipt of this letter of any questions, objections, comments or information regarding the proposed system. Those who file a written request for further information regarding the permit application will be furnished the information requested prior to the Governing Board meeting at which the application will be considered.

Permit applications beginning with "42" (without an "I" in the number) or "40" are General permit applications that are issued from the Service Centers. For these applications, any substantial objections to the permit application must be made in writing and filed with (received by) the District Clerk, located at P.O. Box 1429, Palatka, Florida, 32178-1429, on or before 14 days from date of posting of the notice of receipt of application. The posting date is shown on the bottom of Section C in the shaded block designated as "For Agency Use Only", and adjacent to "Date to be posted". A substantial objection means a written statement directed to the District which identifies the objector, concerns hydrologic or environmental impacts of the proposed activity and relates to applicable rule criteria. If a substantial objection is received, the procedures applicable to an Individual permit application will be followed. The receipt of a substantial objection will entitle you to an individual notice prior to the Governing board meeting at which the application will be considered.
