Re: Kings Ridge Stormwater Transfer

Mr. Carlie:

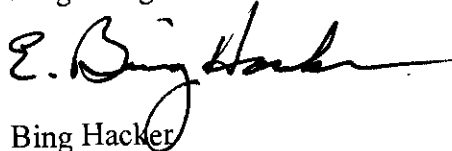

This letter is to serve as official notice that Kings Ridge Community Association is accepting the transfer all stormwater permits from Lennar Corporation. Kings Ridge Community Association agrees to abide by all guidelines and stipulations set in place by the SJRWMD permits. Please find the attached enclosed letter from Mr. Bruce Lawson authorizing this change as the current permit holder.

We have received the enclosed list of permit numbers; and the as-built certifications by a registered professional engineer.

If you have any questions, comments, or concerns please do not hesitate to contact me.

Sincerely,

Kings Ridge Community Association

Bing Hacker
President

Re: Kings Ridge Stormwater Transfer

Mr. Carlie,

This letter is to serve as official notice to transfer Operation and Maintenance of the permitted stormwater system to Kings Ridge Community Association. Please find the attached enclosed letter from Mr. Bing Hacker, President of the Community Association accepting this responsibility.

Furthermore, please find the enclosed list of permit numbers; also, included are copies of the previously submitted as-built certifications by a registered professional engineer. Copies of this information has also been provided to the Kings Ridge Community Association.

If you have any questions, comments, or concerns please do not hesitate to contact me.

Sincerely,

Lennar Orlando Land

E. Bruce Lawson, P.E.
Executive Vice President

MSSW/STORMWATER AS-BUILT CERTIFICATION BY A REGISTERED PROFESSIONAL

PERMIT NUMBER: 4-069-0326M2-ERP

PROJECT NAME: Wellington @ Kings Ridge

I hereby certify that all components of this stormwater management system have been built substantially in accordance with the approved plans and specifications and is ready for inspection. Any substantial deviations (noted below) from the approved plans and specifications will not prevent the system from functioning in compliance with the requirements of chapter 40C-4, 40C-41 or 40C-42, F.A.C. (as applicable), when properly maintained and operated. These determinations have been based upon on-site observation of the system conducted by me or by my designee under my direct supervision and/or my review of as-built plans certified by a registered professional or Land Surveyor licensed in the State of Florida.

*A registered professional is defined in subsection 40C-42.021(1) as "a professional registered in Florida with the necessary expertise in the fields of hydrology, drainage, flood control, erosion and sediment control, and stormwater pollution control to design and certify stormwater management systems. Examples of registered professionals may include professional engineers licensed under chapter 471, F.S., professional landscape architects licensed under chapter 481, F.S., and professional geologists licensed under chapter 492, F.S., who have the referenced skills."
