The monthly Club Facilities Fee shall increase by Four (\$4.00) Dollars every three (3) years. The first increase shall be three (3) years from the completion of Phase I of the Club Facilities as described above. Provided, however, the Club Owner shall have the unequivocal right to increase or decrease such Club Facilities Fees upon recordation in the Public Records of a supplemental statement to that effect, which shall affect all Club Members admitted after such date as if such statement were set forth herein, ab initio. No such supplemental statement shall increase the obligations of any Club Member admitted prior to the date of recording.

(b) In addition to the Club Facilities Fee in (I) above, each Club Member agrees and covenants to pay and discharge, in a timely fashion when due, its pro rata portion, as hereinafter set forth, of the Club Operating Costs.

OR
BOOK 1417 PAGE 244

(h) Club Charges shall be payable, in advance, on the first day of each payment period.

Section 7. Collection. If requested by the Club Owner, the Community Association or each Neighborhood Association shall collect the Club Charges at the same time it collects Assessments or Neighborhood Assessments, as the case may be, from the Club Members. Upon collection, the Community Association or Neighborhood Association, as the case may be, shall be deemed to hold the same, in trust, for the Club Owner and for the payments as required. Upon collection, the Community Association or Neighborhood Associations, as the case may be, shall forthwith forward Club Facilities Fee and/or the Club Operating Costs to the Club Operating Entity, together with a record of which Club Members did, and did not, pay. During the period when the Community Association is operating the Club pursuant to the Club Covenants, then the Community Association is granted the conditional license to retain those portions of the Club Charges, other than the Club Facilities Fee, for the strict purpose of paying the expenses associated with The Club. The Community Association and/or Neighborhood Association, as the case may be, shall diligently enforce collection of all delinquencies including enforcement of all liens in the name of the Club Owner and/or Club Operating Entity. Notwithstanding anything in this Community Declaration to the contrary, in the event that the Community Association or Neighborhood Associations, as the case may be, collects funds from the Club Members (whether or not those funds are designated as payment of Club Charges or Assessments or Neighborhood Assessments) those funds shall be first allocated to the payment of Club Facilities Fees and then to the payment of Club Operating Costs and then to the payment of Assessments for Community Association purposes and then to the payment of Neighborhood Assessments for Neighborhood Association purposes.

Section 8. Allocation of Costs.

(a) For the period until the adoption of the first annual budget, the Club Charges shall be established by, allocated as set forth in, the initial budget for The Club ("budget").

(b) Commencing on the first day of the period covered by the budget and until the adoption of the next annual budget, and until there are one thousand (1,000) Club Members, the costs shall be allocated so that each Club Member shall pay its pro-rata portion of the costs based upon a fraction, the numerator of which is one (1) and the denominator of which is one thousand (1,000). After there are one thousand (1,000) Club Members, the next annual budgets shall be based upon the average estimated numbers of Club Members during that year, as estimated by the Club Owner. Provided, however, in the event the Club Owner determines that after the Community Completion Date, there will be less than one thousand (1,000) Club Members and the allocation of Club Operating Costs shall be based upon the number of Club Members in the Community. ^{OR} 1417 _{HOC} PAGE 245

(c) In the event the estimate of Club Operating Costs for the year is, after the actual costs for that period is known, more or less than the actual costs, then the difference shall, at the election of the Club Owner: (I) be added or subtracted, as the case may be, to the calculation for the next ensuing year; or (ii) be immediately collected from the Club Members.

The Club Operating Entity shall have the unequivocal right to collect Club Operating Costs retroactively on January 1st of any year, whose costs shall relate back to the date that the collection could have been made.

(d) Each Club Member agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by other Club members or others of any sums due.

Section 9. Allocation. Except as hereinafter specified to the contrary, Club Operating Costs shall be allocated equally to each Club Member.

Section 10. Special Costs Allocation. Except as hereinafter specified to the contrary, special costs may be collected from the Club Members benefiting from, or subject to, the special service or cost as specified by the Club Operating Entity.

Section 11. Initial Budgets. The budget prepared by Club Owner is adopted as the Club Budget for the period of operation until adoption of the first annual Club Budget. Thereafter, annual budgets shall be prepared and adopted by the Club Operating Entity. All budgets shall be subject to approval by the Club Owner.

Section 12. Establishment of Club Costs. Club Charges shall be established in accordance with the following procedures:

(a) Club Charges, which shall include the Club Facilities Fee in the amounts set forth in Section 6 above, shall be established by the adoption of a projected operating budget. Written notice of the amount and date of commencement thereof shall be given to each Club Member not less than ten (10) days in advance of the due date of the first installment thereof. Club Charges shall, unless otherwise specified by the Club Owner, be payable, in advance, at such time as the Community Association collects Community Assessments from the Club Members.

OR 1417 PAGE 246
BOOK

(b) The Club Operating Entity may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including Management Firm, the power and authority to establish specific fees, dues or charges to be paid by Club Members for any special services provided to, or for the benefit of a Club Member, for any special or personal use of the Club Facilities, or to reimburse the expenses incurred in connection with that service or use. The sums established shall be payable by the Club Member utilizing the service or facility as determined by the Club Operating Entity.

(c) The budget may, at the election of the Club Owner, establish and maintain a reserve fund for the periodic maintenance, repair and replacement of improvements to the Club Facilities.

(d) The Club Operating Entity may, but is not obligated to, establish a working capital fund for the operation of the Club Facilities. If so, each Club Member shall pay an amount equal to the sums determined to be due from that Club Member either (i) for the Club Members which join The Club prior to substantial completion of Phase I, at the time of the first payment of Club Charges; and (ii) thereafter, at the time of conveyance of each Homesite. Each Club Member's share of the working capital fund shall be transferred to the Club Operating Entity at that time. The purpose of this fund is to assure that the Club Operating Entity will have cash available to meet its obligations, unforeseen expenditures, or to acquire additional property, equipment or services deemed necessary or desirable. Amounts paid into the fund are not to be considered as advance payment of Club Charges.

(e) The Club Operating Entity shall prepare and maintain a ledger noting charges due from, and payments by, each Club Member. The ledger shall be kept in the office of the Club Operating Entity, or its designee, and the portion pertaining to a Club Member shall be open to inspection by that Club Member. Upon demand and payment of a reasonable charge therefor, there shall be furnished to a Club Member a certificate in writing setting forth whether the Club Charges have been paid and/or the amount which is due as of any date. As to parties other than Club Members who, without knowledge of error, rely on the certificate, the

certificate shall be conclusive evidence of the amount of any charges therein stated.

(f) Each Club Member waives its rights (if any) to an accounting related to Club Charges and/or Club Operating Costs. Provided, however, that the Club Owner shall make public, within sixty (60) days following the end of each fiscal year, a complete financial report of the actual, total receipts of the mandatory Club Fees received by it and an itemized listing of the expenditures made by it from such fees for that year. Such report shall be made public by mailing it to each Club Member, by publishing it in a publication regularly distributed within the Community or by posting it in prominent locations in the Community.

Section 13. Covenant. Each Club Member, by electing to be a member of The Club and acceptance of title to a Homesite, shall be deemed to have covenanted and agreed to pay all Club Charges, including the Club Facilities Fee, its pro-rata portion of Club Operating Costs, and charges incurred in connection with the enforcement of any of the terms and conditions hereof, including reasonable costs and attorney's and paralegal fees at all levels, including appeals, collections and bankruptcy.

Each Club Member shall pay all taxes and obligations relating to its Homesite which, if not paid, could become a lien against the Homesite superior to the lien for Club Charges created by this Community Declaration.

Section 14. Creation of the Lien and Personal Obligation. Each Club Member, by electing to be a member of The Club and acceptance of a deed or instrument of conveyance for the acquisition of title to a Homesite, shall be deemed to have covenanted and agreed that the Club Charges, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' (and paralegals') fees (at all levels of proceedings, collection and bankruptcy), shall be a charge and continuing lien in favor of the Club Owner encumbering the Homesite and all personal property located thereon owned by the Club Member. The lien is effective from and after recording a Claim of Lien in the Public Records, stating the description of the Homesite, name of the Club Member, and the amounts due as of that date. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each charge, fee, together with interest, late fees, costs and reasonable attorneys' fees, etc. shall be the personal obligation of the Club Member who was the Owner of the Homesite at the time when the charge or fee became due, as well as the its heirs, devisees, personal representatives, successors or assigns. Such lien may also be enforced by the Club Operating Entity, however, the claim of the Club Owner for Club Facilities Fees is, subject to the provisions of Section 15 below, paramount to all

other claims. Further, the lien created by this Section is superior to the lien of the Community Association and/or any Neighborhood Association for Assessments and/or Neighborhood Assessments, as the case may be.

OR
HOOV 1417 PAGE 248

Section 15. Subordination of the Lien to Mortgages. The lien for such fees and charges shall be subordinate to bona fide first mortgages on any Homesite, if the mortgage is recorded in the public records prior to the Claim of Lien. The lien shall not be affected by any sale or transfer of a Homesite, except in the event of a sale or transfer of a Homesite pursuant to a foreclosure of a bona fide first mortgage, in which event, the acquirer of title, its successors and assigns, shall not be liable for such fees and charges encumbering the Homesite or chargeable to the former owner of the Homesite which became due prior to such sale or transfer. However, any such unpaid fees or charges for which such acquirer of title is not liable may be reallocated and assessed to all Club Members (including such acquirer of title) as a part of the Club Charges. Any sale or transfer pursuant to a foreclosure shall not relieve the successor Club Member from liability for, nor the Homesite from, the lien of, any fees or charges made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent fees or charges from the payment thereof, or the enforcement of collection by means other than foreclosure.

Section 16. Acceleration. In the event of a default in the payment of any such fees or charges, the Club Owner and/or Club Operating Entity, may accelerate the fees or charges then due for up to the next ensuing twelve (12) month period.

Section 17. Non-payment. If any Club Charges are not paid within fifteen (15) days after the due date, a late fee of \$25.00, per month, together with interest in an amount equal to the maximum rate allowable by law, per annum, beginning from the due date until paid in full, may be levied. The Club Owner and/or Club Operating Entity, may, at any time thereafter, bring an action at law against the Club Member personally obligated to pay the same, and/or foreclose the lien against the Homesite, or both. There shall be added to the fees and charges, all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' (and paralegals) fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Club Member may waive or otherwise escape liability for fees and charges provided for herein by non-use of, or the waiver of the right to use The Club or abandonment of a Homesite.

Section 18. Suspension. Should a Club Member not pay sums required hereunder, or otherwise default, for a period of forty-five (45) days, the Club Operating Entity may, without reducing or terminating that Club Members' obligations hereunder, suspend that

Club Members' rights to use the Club Facilities until all fees and charges are paid current and/or the default is cured.

Section 19. Exemption. Notwithstanding anything to the contrary herein, except as specifically provided herein, neither Declarant or Club Owner or any Homesite or property owned by Declarant or Club Owner or Golf Owner shall be responsible for any portion of such fees and charges.

DR 1417 PAGE 249

Section 20. Rights to Pay and Receive Reimbursement. Club Owner and/or Community Association and/or Neighborhood Association shall have the right, but not the obligation, and in its sole option, to pay any Club Charges which are in default and which may or have become a lien or charge against any Homesite. If so paid, the party paying the same shall be subrogated to the enforcement rights with regard to the amounts due. Further, Club Owner and/or Community Association and/or Neighborhood Association shall have the right, but not the obligation, at its sole option, to loan funds and pay insurance premiums, taxes or other items of costs on behalf of the Club Member to protect its lien. The party advancing the funds shall be entitled to immediate reimbursement, on demand, from the Club Member for such amounts so paid, plus interest thereon at the Wall Street Journal Prime Rate plus 4%, plus any costs of collection including, but not limited to, reasonable attorneys' (and paralegals') fees at all levels including appeals, collections and bankruptcy.

Section 21. Declarant. The Declarant and Community Association, Neighborhood Association and Golf Owner are not the Club Owner and shall not be responsible for the activities of the Club Owner and, conversely, the Club Owner shall not be responsible for the activities of the Declarant, Community Association, Neighborhood Association and Golf Owner.

Section 22. Club Covenants. The Community Association and each Neighborhood Association and each Club Member, where applicable, shall be bound by and comply with the Club Covenants which are incorporated herein by reference.

Section 23. Rules. The Club Operating Entity shall have the right to adopt rules and regulations governing the use of the Club Facilities. Each Club Member, and each person claiming use rights by, through or under each Club Member, shall comply with the provisions of all Rules and Regulations promulgated concerning the use of The Club.

Section 24. Right to Acquire. Although the Club arrangement is not a lease of recreation facilities, the Club Owner grants to the Club Members the rights to acquire the Club Facilities pursuant to the provisions of F.S. 617.31 as it exists as of the date hereof.

Section 25. Ratification. Each Club Member, by electing to be a Club Member and acceptance of title to a Homesite, and the Community Association and each Neighborhood Association, ratifies and confirms the provisions hereof relating to The Club and agrees as follows:

(a) It is in the best interest of each of them, ^{OR ROOM} ~~the~~ Community as a whole, and property values therein, to provide for The Club to be located within the Community; 1417 PAGE 250

(b) The terms hereof relating to The Club and the Club Charges imposed hereby, including the Club Facilities Fee, are not unconscionable and are fair and reasonable given the nature of the Club Facilities provided and the cost thereof;

(c) There were significant other housing opportunities available to the Club Members in the general location of the Community, both with and without Club Facilities;

(d) The decision to become a Club Member was voluntary.

(e) Full disclosure of the nature of the Club Facilities and obligations associated therewith was made to each Club Member prior to that Club Member executing a contract to purchase a Homesite and Club Member did, or was afforded the opportunity to, consult with an attorney;

(f) The fact that the Club Owner, is, or may be, affiliated with the Declarant, or that the members of the Board may be appointed, and/or employed, by Declarant is acknowledged and any conflict arising therefrom waived;

(g) That Declarant, Community Association or Club Owner, have fully discharged all duties to each Club Member concerning The Club including, but not limited to and without acknowledging or imposing same, any fiduciary duties imposed by law; and

(h) That the provisions of this Community Declaration does not grant any ownership rights in the Club Facilities in favor of the Community Association or Club Members but, rather, grants a non-exclusive license and membership to use the Club Facilities subject to full compliance with all obligations imposed on each of them relating thereto.

Section 26. Default. Should the Community Association fail or refuse or otherwise be excused from performance of its obligations hereunder or under the Club Covenants, then:

(a) Each Club Member acknowledges and agrees that the Club Owner shall have the right to terminate the right of the Community

Association to operate and/or manage and/or maintain The Club and may re-assume such operation and/or management and/or maintenance and/or may delegate same to others;

(b) Each Club Member shall make payments of all Club Charges directly to the Club Owner or as directed by the Club Owner.

such other less frequent times as determined by the Community Association, not to exceed quarterly.

(b) Special Assessments against the Owners and all other fees, dues and charges, may be established by the Community Association, from time to time, as shall be payable at such time or time(s) as determined.

(c) The Community Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including Management Firm, the power and authority to establish specific fees, dues or charges to be paid by Owners for any special services provided to, or for the benefit of an Owner or Homesite, for any special or personal use of the Common Area and/or Community Services, or to reimburse the Community Association for the expenses incurred in connection with that service or use. The sums established shall be payable by the Owner utilizing the service or facility as determined by the Community Association.

OR
HOG 1417 PAGE 267

(d) The budget may, at the election of the Declarant, or Community Association, establish and maintain a reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area and/or Community Services.

(e) The Community Association may, but is not obligated to, establish a working capital fund for the operation of the Community Association. If so, there shall be collected from each Owner at the time of conveyance of each Homesite, an amount equal to the sums determined to be due from that Owner. Each Owner's share of the working capital fund shall be transferred to the Community Association, at that time. The purpose of this fund is to assure that the Community Association will have cash available to meet its obligations, unforeseen expenditures, or to acquire additional property, equipment or services deemed necessary or desirable. Amounts paid into the fund are not to be considered as advance payment of Assessments.

(f) The Community Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of the Community Association, or its designees, and shall be open to inspection by any Owner. Upon demand, there shall be furnished to an Owner a certificate in writing setting forth whether the Assessments have been paid and/or the amount which is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated.

(g) Each Owner waives its rights, if any, to an accounting

related to Operating Costs or Assessments.

(h) The Community Association shall prepare such financial reports as required by F.S. 617.302(7).

Section 9. Payment of Assessments. Each Owner, by acceptance of title to a Homesite, shall be deemed to have covenanted and agreed to pay the following dues, fees, charges and Assessments:

- (a) Assessments for Operating Costs;
- (b) Assessments for capital improvements, emergencies, and/or non-recurring expenses;
- (c) Assessments of any kind for the creation of reasonable reserves;
- (d) Special Assessments and charges for special services;
- (e) Assessments and charges incurred in connection with the provisions of this Community Declaration and the enforcement of any of the terms and conditions hereof, including reasonable attorney fees and costs;

OR
HOOV 1417 PAGE 268

Each Owner shall pay all taxes and obligations relating to its Homesite which, if not paid, could become a lien against the Homesite which is superior to the lien for Assessments created by this Community Declaration.

Section 10. Creation of the Lien and Personal Obligation. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Homesite, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' (and paralegals') fees (at all levels of proceedings, collection and bankruptcy), shall be a charge and continuing lien in favor of the Community Association encumbering the Homesite and all personal property located thereon owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records, stating the description of the Homesite, name of the Owner, and the amounts due as of that date. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, charge, fee, together with interest, late fees, costs and reasonable attorneys' fees, etc. shall be the personal obligation of the person who was the Owner of the Homesite at the time when the Assessment became due, as well as the Owner's heirs, devisees, personal representatives, successors or assigns.

Section 11. Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to bona fide first mortgages on any Homesite, if the mortgage is recorded in the Public Records prior to the Claim of Lien and to the lien of the Club Owner and Golf Owner set forth in this Community Declaration. The lien shall not be affected by any sale or transfer of a Homesite, except in the event of a sale or transfer of a Homesite pursuant to a foreclosure of a bona fide first mortgage, or the lien of the Club Owner and Golf Owner, in which event, the acquirer of title, its successors and assigns, shall not be liable for Assessments encumbering the Homesite or chargeable to the former owner of the Homesite which became due prior to such sale or transfer. However, any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners (including such acquirer of title) as a part of the Operating Costs. Any sale or transfer pursuant to a foreclosure shall not relieve the Owner from liability for, nor the Homesite from the lien of, any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure.

Section 12. Acceleration. In the event of a default in the payment of any Assessment, the Community Association may accelerate the Assessments then due for up to the next ensuing twelve (12) month period.

Section 13. Non-payment of Assessments. If any Assessment is not paid within fifteen (15) days after the due date, a late fee of \$25.00, per month, together with interest in an amount equal to 18% percent (not to exceed the maximum rate allowable by law), per annum, beginning from the due date until paid in full, may be levied. The Community Association may, at any time thereafter, bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the Homesite, or both. The Community Association shall not be required to bring such an action if it believes that the best interests of the Community Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' (and paralegals) fees, at all levels of proceedings, including collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use, the Common Area, Community Services, Club Facilities, Golf Facilities or abandonment of a Homesite.

Section 14. Exemption. Notwithstanding anything to the contrary herein, neither Declarant or Club Owner or Golf Owner or any Homesite or property owned by Declarant or Club Owner or Golf Owner

or Neighborhood Association shall, unless specified to the contrary by Declarant in a separate written instrument, be responsible for any Assessments of any nature or any portion of the Operating Costs. Notwithstanding the foregoing, while Declarant is in control of the Community Association, it shall have the right, in its sole discretion, to elect whether or not to: (a) pay Assessments on Homesites it owns; or (b) pay any operating expenses incurred that exceed the Assessments received from other Owners and other income of the Community Association.

OR
HOV 1417 PAGE 270

Section 15. Collection by Declarant. If for any reason the Community Association shall fail or be unable to levy or collect Assessments, then in that event, Declarant or Club Owner or Neighborhood Association, as the case may be, shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to the Community Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, which remedies, including, but not limited to, recovery of attorneys', and paralegals', fees at all levels including appeals, collections and bankruptcy, shall be deemed assigned to Declarant and/or Club Owner and/or Neighborhood Association, for such purposes. The entity advancing such sums shall be entitled to immediate reimbursement, on demand, from the Community Association for such amounts so paid, plus interest thereon at the W.S.J. Prime Rate plus 4%, plus any costs of collection including, but not limited to, reasonable attorneys' (and paralegals') fees at all levels including appeals, collections and bankruptcy.

Section 16. Rights to Pay Assessments. Community Association, Declarant, Club Owner and Neighborhood Association and any mortgagee of a Homesite shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Homesite. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Community Association with regard to the amounts due.

Section 17. Priority. Notwithstanding anything to the contrary herein or in any Neighborhood Declaration, the lien of the Club Owner shall have priority over the liens of the Community Association and Neighborhood Association. The lien of the Community Association shall have priority over the lien of any Neighborhood Association.

Accordingly, the A.C.C. shall have the right to approve or disapprove all architectural, landscaping and location of any proposed improvements within the Properties by Owners other than Declarant or Club Owner or Golf Owner or their respective nominees. The A.C.C. shall have the right to evaluate all plans and specifications as to harmony of exterior design, landscaping, and location of any proposed improvements, relationship to surrounding structures and topography and as to conformity with such other reasonable requirements as shall be adopted by A.C.C. The A.C.C. may, in the sole discretion of each, impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes. Prior to the Community Completion Date, any additional standards or modification of existing standards shall require the consent of Declarant, which may be granted or denied in its sole discretion.

Section 2. Master Plan. The Declarant has established an

overall Master Plan. However, notwithstanding the ^{OR 1417 PAGE 272} above, or any other document, brochures or plans, the Declarant reserves the right to modify the Plat, Master Plan or any site plan, at any time, as it deems desirable, in its sole discretion and in accordance with applicable laws and ordinances.

The Community Standards as promulgated, from time to time, shall be effective from the date of adoption. The Community Standards as promulgated from time to time shall be specifically enforceable by injunction or otherwise, and shall have the effect of covenants as if set forth herein verbatim.

Section 4. Architectural Control Committee. The A.C.C. shall be a permanent committee of the Community Association and shall administer and perform the architectural and landscape review and control functions relating to the Community. The A.C.C. shall consist of a minimum of three (3) members who shall initially be named by the Declarant and who shall hold office at the pleasure of the Declarant. Until the Community Completion Date, the Declarant shall have the right to change the number of members on the A.C.C., and to appoint, remove and replace all members of the A.C.C.. The Declarant shall determine which members of the A.C.C. shall serve as its chairman and co-chairman. In the event of the failure, refusal or inability to act of any of the members appointed by the Declarant, the Declarant shall have the right to replace any member within thirty (30) days of such occurrence. If the Declarant fails to replace that member, the remaining members of the A.C.C. shall fill the vacancy by appointment. At the Community Completion Date, or at such earlier date as Declarant, in its sole discretion may elect, the Declarant shall assign such rights to the Community Association.

Section 5. Membership. There is no requirement that any member of the A.C.C. be a member of either the Community Association or an Owner.

Section 6. Quorum. A majority of the A.C.C. shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the A.C.C.. In lieu of a meeting, the A.C.C. may act in writing. The provisions of F.S. 617.303(2) shall apply to meetings of the A.C.C.

Section 7. Power and Duties of the A.C.C. No material improvements or change in color (which term shall include landscaping) which is visible from the exterior of a Home shall be constructed, erected, removed, planted or maintained, nor shall any

material addition to or any change, replacement or alteration of the improvements constructed by Declarant or its designees which is visible from the exterior of a Home be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme and the location of same shall have been submitted to and approved in writing by the A.C.C.

Section 8. Procedure. Each Owner or Neighborhood Association, as the case may be, shall, in attempting to receive the approval of the A.C.C. follow the following procedures:

OR 1417 PAGE 273
1100X

(a) Each applicant shall first obtain the approval of the Neighborhood Association according to the provisions of the applicable Neighborhood Declaration.

(b) Thereafter, each applicant shall submit an application to the A.C.C. with respect to any proposed improvement or material change in an improvement, together with the required application(s) and other fee(s) as established by the A.C.C. The applications shall include such information as may be required by the application form adopted by the A.C.C. The A.C.C. may also require submission of samples of building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the A.C.C., such site plans, plans and specifications for the proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and a surface water drainage plan showing existing and proposed design grades, contours relating to the pre-determined ground floor finish elevation, pool plans and specifications, and a time schedule for completion, all as reasonably specified by the A.C.C.

(c) In the event the information submitted to the A.C.C. is, in the A.C.C.'s opinion, incomplete or insufficient in any manner, the A.C.C. may request and require the submission of additional or supplemental information. The Owner shall, within fifteen (15) days thereafter, comply with the request.

(d) No later than sixty (60) business days after receipt of all information required by the A.C.C. for final review, the A.C.C. shall approve or deny the application in writing. The A.C.C. shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the A.C.C.'s sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon. In approving or disapproving such plans and specifications, the A.C.C. shall consider the suitability of the proposed improvements, the materials of which the improvements are to be built, the site upon

which the improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the A.C.C. fails to respond within said sixty (60) day period, the plans and specifications shall be deemed approved by the A.C.C.

(e) Construction of all improvements shall be completed within the time period set forth in the application and approved by the A.C.C.

(f) In the event that the A.C.C. disapproves any plans and specifications, the applicant may request a rehearing by the A.C.C. to re-review the disapproved plans and specifications. The meeting shall take place no later than thirty (30) days after written request for such meeting is received by the A.C.C., unless applicant waives this time requirement in writing. The A.C.C. shall make a final written decision no later than thirty (30) days after such meeting. In the event the A.C.C. fails to provide such written decision within said thirty (30) days, the plans and specifications shall be deemed approved.

DR
BOOK 1417 PAGE 274

(g) Upon continued disapproval, and unless the members of the Board and A.C.C. are the same, the applicant may appeal the decision of the A.C.C. to the Board within thirty (30) days of the A.C.C.'s written review and disapproval. Review by the Board shall take place no later than thirty (30) days subsequent to the receipt by the Board of the Owner's request therefor. If the Board fails to hold such a meeting within thirty (30) days after receipt of request for such meeting, then the plans and specifications shall be deemed approved. The Board shall make a final decision no later than thirty (30) days after such meeting. In the event the Board fails to provide such written decision within said thirty (30) days after such meeting, such plans and specifications shall be deemed approved. The decision of the A.C.C., or if appealed, the Board, shall be final and binding upon the applicant, its heirs, legal representatives, successors and assigns.

Section 9. Alterations. Any and all alterations, deletions, additions and changes of any type or nature whatsoever to then existing improvements or the plans or specifications previously approved by the A.C.C. shall be subject to the approval of the A.C.C. in the same manner as required for approval of original plans and specifications.

Section 10. Variances. The Community Association or A.C.C. shall have the power to grant variances from any requirements set forth in this Community Declaration or from the Community Standards, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or

otherwise affect the right to require strict compliance with the requirements set forth herein or in the Community Standards on any other occasion.

Section 11. Permits. The Owner is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction. An approval by the A.C.C. does not constitute a representation by the A.C.C. that such permits can be obtained or that such improvements comply with applicable codes.

Section 12. Construction by Owners. The following provisions govern construction activities by Owners after consent of the A.C.C. has been obtained:

OP 1417 PAGE 275
HOOR

(a) Each Owner shall deliver to the A.C.C. copies of all construction and building permits as and when received by the Owner. Each construction site in the Community shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike and continuous basis. Roadways, easements, swales, common areas and other such areas in the Community shall be kept clear of construction vehicles, construction materials and debris at all times. No construction office or trailer shall be kept in the Community and no construction materials shall be stored in the Community, subject, however, to such conditions and requirements as may be promulgated by the A.C.C. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any canal or waterway or Common Area or other Homesites in the Community or be placed anywhere outside of the Homesite upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled and used, including, without limitation, gasoline and petroleum products, except in compliance with all applicable federal, state and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in or within the Properties or adjacent property or waterways. All construction activities shall comply with such additional rules and regulations relating to the construction as promulgated by the A.C.C. from time to time.

(b) A list, (name, address, telephone number and identity of contact person), of all contractors, subcontractors, materialmen and suppliers (collectively, "contractors") and changes to the list as they occur relating to construction shall be provided to the A.C.C. Each builder and all of its employees and contractors and their employees shall utilize those roadways and entrances into the Community as are designated by the A.C.C. for construction activities. The A.C.C. shall have the right to require that each builder's and contractor's employees check in at the designated construction entrances and to refuse entrance to persons and

parties whose names are not registered with the A.C.C.

(c) Each Neighborhood Association and Owner is responsible for insuring compliance with all terms and conditions of these provisions and of the Community Standards by all of its employees and contractors. In the event of any violation of any such terms or conditions by any employee or contractor, or, in the opinion of the A.C.C., the continued refusal of any employee or contractor to comply with such terms and conditions, after five days notice and right to cure, the A.C.C. shall have, in addition to the other rights hereunder, the right to prohibit the violating employee or contractor from performing any further services in the Community.

(d) The A.C.C. may, from time to time, adopt standards governing the performance or conduct of owners, contractors and their respective employees within the Community. Each Neighborhood Association, Owner and contractor shall comply with such standards and cause its respective employees to also comply with same. The A.C.C. may also promulgate requirements to be inserted in all contracts relating to construction within the Community and each Owner shall include the same therein.

Section 13. Inspection. There is specifically reserved to the Community Association and A.C.C. and to any agent or member of either of them, the right of entry and inspection upon any portion of the Properties for the purpose of determination whether there exists any violation of the terms of any approval or the terms of this Community Declaration or the Community Standards.

Section 14. Violation. If any improvement shall be constructed or altered without prior written approval, or in a manner which fails to conform with the approval granted, the Owner shall, upon demand of the Community Association or A.C.C., cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The Owner shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys' fees incurred by the Community Association or A.C.C. The costs shall be deemed a Special Assessment and enforceable pursuant to the provisions of this Community Declaration. The A.C.C. and/or Community Association is specifically empowered to enforce the Architectural Control provisions of this Community Declaration and the Community Standards, by any legal or equitable remedy.

Section 15. Court Costs. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the Community Association and/or A.C.C. shall be entitled to recover court costs, expenses and attorneys' (and paralegals') fees in connection therewith.

Section 16. Certificate. In the event that any Owner fails to comply with the provisions contained herein, the Community Standards, or other rules and regulations promulgated by the A.C.C., the Community Association and/or A.C.C. may, in addition to all other remedies contained herein, record a Certificate of Non-Compliance against the Homesite stating that the improvements on the Homesite fail to meet the requirements of this Community Declaration and that the Homesite is subject to further enforcement remedies.

Section 17. Fines. In the event of a violation of the provisions contained herein, the Community Standards, or other rules and regulations promulgated by the A.C.C., the Community Association shall also have the right to levy a fine of up to \$25.00 per day until the violation is cured. The fine shall be a Special Assessment and enforceable pursuant to the provisions of this Community Declaration.

OR 1417 PAGE 277

Section 18. Certificate of Approval. Prior to the occupancy of any improvement constructed or erected on any Homesite by other than Declarant, or its designees, the Owner thereof shall obtain a certificate of approval from the A.C.C., certifying that the construction of the improvement has been completed substantially in accordance with the approved plans and specifications. The A.C.C. may, from time to time, delegate to a member or members of the A.C.C., the responsibility for issuing the certificate of approval.

Section 19. Community Standards. The Community Association may, from time to time, adopt, publish or modify the Community Standards. The Community Standards shall not require any Owner to alter the improvements previously constructed.

Until the Community Completion Date, the prior consent of Declarant concerning the adoption of, and any changes to, the Community Standards must first be had and obtained, which may be granted in its sole discretion.

Section 20. Exemption. Notwithstanding anything to the contrary contained herein, or in the Community Standards, any improvements of any nature made or to be made by the Declarant or Club Owner, Golf Owner, or their nominees, including, without limitation, improvements made or to be made to the Common Area, Club Facilities or any Homesite, shall not be subject to the review of the A.C.C., Community Association, or the provisions of the Community Standards.

Section 21. Exculpation. Neither the Declarant, the Community Association, the directors or officers of the Community Association, the A.C.C., the members of the A.C.C., nor any person acting on behalf of any of them, shall be liable for any cost or

damages incurred by any Owner or any other party whatsoever, due to any mistakes in judgment, negligence or any action of the Declarant, the Community Association, A.C.C. or their members, officers, or directors, in connection with the provision of this Article. Each Owner agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Homesite, and each Neighborhood Association agrees that it shall not bring any action or suit against the Declarant, the Community Association or their respective directors or officers, the A.C.C. or the members of the A.C.C., or their respective agents, in order to recover any damages caused by the actions of the Declarant, Community Association, or A.C.C. or their respective members, officers, or directors in connection with the provisions of this Article. The Community Association does hereby indemnify, defend and hold the Declarant, and the A.C.C. and each of their members, officers, or directors harmless from all costs, expenses, and liabilities, including attorneys' fees, of all nature resulting by virtue of the acts of the Owners, Community Association, Neighborhood Association or their members, officers and directors. Neither the Declarant, the Community Association or its directors or officers, the A.C.C. or its members, nor any person acting on behalf of any of them, shall be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

Section 1. Right to Cure. Should any Owner do any of the following:

(a) Fail to perform its responsibilities as set forth herein or otherwise breach the provisions of the Community Declaration; or

(b) Cause any damage to any improvement or Common Area or Community Services or Club Facilities or Golf Facilities; or

(c) Impede the Declarant, Club Owner, Golf Owner or Community Association from exercising its rights or performing its responsibilities hereunder; or

Then, the Declarant and/or the Community Association and or Club Owner and/or Golf Owner, where applicable, after reasonable prior written notice, shall have the right, through its agents and employees, to cure the breach, including, where applicable, but not limited to, the entering upon the Homesite and/or Home and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees incurred shall be assessed against the Owner as a Special Assessment or Special Charge, as the case may be.

If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, the party entitled to enforce same may, at its option:

(a) Commence an action to enforce the performance on the part of the Owner or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief; and/or

OR
H00# 1417 PAGE 279

(b) Commence an action to recover damages; and/or

(c) Take any and all action reasonably necessary to correct the violation or breach.

(d) Take such other actions pursuant to, and as authorized by, F.S. 617.305 including, but not limited to, suspending the rights of an Owner and/or its tenants, guests or invitees or both to use Common Areas and levy reasonable fines, not to exceed \$50.00 per violation, against any Owner, tenant, guest or invitee.

All expenses incurred in connection with the violation or breach, or the commencement of any action against any Owner, including reasonable attorneys' and paralegals' fees at all levels including appeals, bankruptcy and collections, shall be assessed against the Owner, as a Special Assessment and/or Special Charge, or otherwise, and shall be immediately due and payable without further notice.

Section 3. No Waiver. The failure to enforce any right, provision, covenant or condition in this Community Declaration,

shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

Section 4. Rights Cumulative. All rights, remedies, and privileges granted to the Declarant and/or Club Owner and/or Golf Owner and/or Community Association and/or A.C.C. and/or Owner pursuant to any terms, provisions, covenants or conditions of this Community Declaration, or Community Standards, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

Section 5. Enforcement By or Against Other Persons. In addition to the foregoing, this Community Declaration or Community Standards may be enforced by Declarant and/or, where applicable, Club Owner and/or Golf Owner and/or Community Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Community Declaration or Community Standards shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Community Declaration or the Community Standards.

Section 6. Fines. In addition to the fines established herein, and all other remedies provided for in this Community Declaration, if and to the extent permitted by law, the Community Association shall have the right to impose additional fines on an Owner for failure of an Owner, or persons claiming by, through or under the Owner, to comply with any provisions of this Community Declaration or Community Standards, provided, however, that the Community Association grant reasonable notice and opportunity to be heard. The decisions of the Community Association shall be final. Fines shall be in such reasonable and uniform amounts as the Community Association shall determine and shall be considered a Special Assessment against that Owner and Homesite.

RIGHTS OF DECLARANT AND OTHERS

Section 1. Sales And Administrative Office. For so long as

the Declarant, or its nominee(s), owns any property in the Properties or affected by this Community Declaration or maintains a sales and administrative office, the Declarant, or its nominee(s), shall have the right to take such action reasonably necessary to transact any business necessary to administer its interests, consummate the development of the Community and sales of Homesites and/or Homes and/or other properties owned by Declarant.
