SECTION A

Are any of the activities described in this application proposed to occur in, on, or over wetlands or other surface waters? ___ yes **XX** no

A. Type of Environmental Resource Permit Requested (check at least one)

- ___ Noticed General - include information requested in Section B.
- ___ Standard General (Single Family Dwelling) - include information requested in Sections C and D.
- ___ Standard General (all other projects) - include information requested in Sections C and E.
- ___ Individual (Single Family Dwelling) - include information requested in Sections C and D.
- ___ Individual (all other projects) - include information requested in Sections C and E.
- ___ Conceptual - include information requested in Sections C and E.
- ___ Mitigation Bank Permit (construction) - include information requested in Sections C and F.
(If the proposed mitigation bank involves the construction of a surface water management system requiring another permit defined above, check the appropriate box and submit the information requested by the applicable section.)
- ___ Mitigation Bank (conceptual) - include information requested in Sections C and F.
- XX** Standard General Stormwater - include information requested in Sections C and H
- ___ Individual Stormwater - include information requested in Sections C and H

B. Type of activity for which you are applying (check at least one)

- XX** Construction and operation of a new system including dredging or filling in, on or over wetlands and other surface waters.
- ___ Alteration and operation of an existing system which was not previously permitted by a WMD or DEP.
- ___ Modification of a system previously permitted by a WMD or DEP. Provide previous permit numbers:

- ___ Alteration and operation of a system ___ Extension of permit duration
- ___ Abandonment of a system ___ Construction and operation of additional phases of a system
- ___ Removal of a system

C. Are you requesting authorization to use State Owned Submerged Lands? ___ yes **XX** no
(If yes, include the information requested in Section G.)

D. For activities in, on or over wetlands or other surface waters, check type of federal dredge and fill permit requested:

- ___ Individual ___ Programmatic General
- ___ General ___ Nationwide

E. Are you claiming to qualify for an exemption? ___ yes **XX** no
If yes provide rule number if known _____.

Describe, in general terms, the proposed project, system or activity.

Lake County Public Works plans to realign Hancock Road from Old HWY 50 to north of Fosgate Road. The proposed roadway typical section consists of a four-lane urban divided roadway with bike lanes. The roadway design incorporates a stormsewer system which conveys runoff to two (2) dry retention ponds serving the project. The project length is approximately 1.42 miles.

If there have been any pre-application meetings, including at the project site, with regulatory staff, please list the date(s), location(s), and names of key staff and project representatives.

None

Please identify by number any MSSW/Wetland Resource/ERP/ACOE permits pending, issued or denied for projects at the location and any related enforcement actions.

Agency	Date	No.\Type of Application	Action Taken(Pending/Issued/Denied)
<u>N/A</u>			

Note: The following information is required for projects proposed to occur in, on or over wetlands or other surface waters that need a federal dredge and fill permit and/or authorization to use state owned submerged lands . Please provide the names ,addresses and zip codes of property owners whose property directly adjoins the project (excluding applicant). Please attach a plan view showing the owner's names and adjoining property lines. Attach additional sheets if necessary.

REGULATORY
INFORMATION MGT.

By signing and submitting this application form, I am applying, or I am applying on behalf of the applicant, for the permit and any proprietary authorizations identified above, according to the supporting data and other incidental information filed with this application. I am familiar with the information contained in this application, and represent that such information is true complete and accurate. I understand this is an application and not a permit, and work prior to approval is a violation. I understand that this application and any permit issued or proprietary authorization issued pursuant thereto, does not relieve me of any obligation for obtaining any other required federal, state, water management district or local permit prior to commencement of construction. I agree, or I agree on behalf of my corporation, to operate and maintain the permitted system unless the permitting agency authorizes transfer of the permit to a responsible operation entity. I understand that knowingly making any false statement or representation in this application is a violation of Section 373.430, F.S., and 18 U.S.C. Section 1001.

James Stivender, PE, PLS

Typed/Printed Name of Applicant (If no Agent is used) or Agent (If one is so authorized below)

Signature of Applicant/Agent Date

12/20/10

Public Works Director

(Corporate Title if applicable)

An Agent May Sign Above Only If The Applicant Completes The Following:

I hereby designate and authorize the agent listed above to act on my behalf, or on behalf of my corporation, as the agent in the processing of this application for the permit and/or proprietary authorization indicated above; and to furnish, on request, supplemental information in support of the application. In addition, I designate and authorize the above-listed agent to bind me, or my corporation, to perform any requirement which may be necessary to procure the permit or authorization indicated above. I understand that knowingly making any false statement or representation in this application is a violation of Section 373.430, F.S., and 18 U.S.C. Section 1001.

Typed/Printed Name of Applicant Signature of Applicant Date

(Corporate Title if applicable)

Please note: The applicant's original signature (not a copy) is required above.

Person Authorizing Access To The Property Must Complete The Following:

I either own the property described in this application or I have legal authority to allow access to the property, and I consent, after receiving prior notification, to any site visit on the property by agents or personnel from the Department of Environmental Protection, the Water Management District and the U.S. Army Corps of Engineers necessary for the review and inspection of the proposed project specified in this application. I authorize these agents or personnel to enter the property as many times as may be necessary to make such review and inspection. Further, I agree to provide entry to the project site for such agents or personnel to monitor permitted work if a permit is granted.

James Stivender, PE, PLS
