Subject: Notice of Receipt on Permit Application(s)
In Lake County

Dear Sir/Madam:

This is your notification that the St. Johns River Water Management District (District) has received the permit application(s) listed below. The District is providing you this Notice of Receipt of Application because you are listed as a County Interested Person.

Standard General and Standard ERP Permit Applications

42-069-50126-4			
----------------	--	--	--

In compliance with your request for notice of applications received in the above referenced county, enclosed is a copy of Section C - Environmental Resource Permit Notice of Receipt of Application and a location map for each permit application applied for within the above referenced county.

The file(s) containing the permit application(s) are available for inspection Monday through Friday, except for District holidays, 8 a.m. to 5 p.m. at the District's Headquarters, 4049 Reid St., Palatka, FL 32177-2529. You may also view files at one of the District's Service Centers, but you should call Service Center staff in advance to make sure that the files are at a specific Service Center. Service Center contact information is available online at floridaswater.com/contactus/offices.html. Additionally, most permit application file documents can be viewed online at floridaswater.com/permitting/index.html. To obtain information on how to find and view permit application file documents, go to the HELP tab in E-Permitting and click on Support and FAQs and then follow the directions provided under "How to find a Technical Staff Report (TSR) or other application file documents."

The decision on Standard General and Standard permit applications will be made at the District's Service Center where the application is processed, unless the application is upgraded to an Individual permit as explained below. A substantial objection to a Standard General or Standard permit application must be made in writing and filed with (received by) the Director of Regulatory Information Management, P.O. Box 1429, Palatka, FL 32178-1429, or by e-mail at applicationsupport@sjrwm.com, within 14 days of notification of the application. Please include either the Permit Application number or the Project Name in the objection. Notification of the application is either the fifth day after the date on which the written notice is deposited in the U.S. mail (for those persons who receive actual notice by U.S. mail), the day the notice is emailed (for those persons who receive actual notice by email), or the date the notice is published in the newspaper (if actual notice is not provided by U.S. mail or email). A "substantial objection" means a written statement directed to the District

that identifies the objector, concerns hydrologic or environmental impacts of the proposed activity, and relates to applicable rule criteria. A timely substantial objection will cause the Standard General or Standard permit application to be considered an application for an Individual permit. If the District receives a timely substantial objection from you, then you will receive written notice of the District's intended decision on the permit application.

Please note that decisions on Individual permit applications will be made either by the District's Executive Director or designee (for those applications which are recommended for approval) or by the District's Governing Board (for those applications which are recommended for denial). For Individual permit applications, you are advised to notify the District within 14 days of receipt of this letter if you have questions, objections, comments or information regarding the activity proposed in the permit application. If you make a written request to the District for additional information regarding a specific permit application, you will be provided an opportunity to obtain the available information. Please note that filing a written objection does not entitle you to a Chapter 120, Florida Statutes, administrative hearing.

Notice of intended (proposed) District Decision will be provided to persons who have requested individual notice. A request for individual notice of intended (proposed) District Decision on the application must be received by the District's Director of the Division of Regulatory Information Management prior to the date the notice of intended (proposed) District Decision is generated.

CERTIFICATE OF SERVICE

I hereby certify that this Notice of Receipt of Application was sent by U.S. Mail at 4:00 p.m. on February 10, 2011.

Margaret Daniels, Acting Director
Division of Regulatory Information Management
