Hi Sandy:

Lake County Public Works will maintain Johns lake Road and Lost Lake HOA will continue to maintain the pond. Application for SJRWMD Permit was made before we signed drainage easement agreement.

Thanks,

Hello Don,

Can you confirm the O&M entity for the Johns Lake Road project? It appears that Lake County will maintain Johns Lake Road and Lost Lake Residential Property Owners Association, Inc. will continue to maintain Pond A in accordance with the drainage easement agreement. The application form indicates Lake County as the O&M entity. Just want to clarify the matter as I need to specify the O&M entity in the TSR.

Thanks!

Sandy
